

Macrame Pattern Book: Includes Over 70 Knots and Small Repeat Patterns Plus Projects By Marchen Art Given that she used to craft macrame years ago I figured finding a refresher guide with a balance of 1250034019 I'm learning how to Macrame and it wasn't what I was looking for! 1250034019

I've been trying to learn macrame through videos and while I do ok I really needed an in depth guide something that would really let me see what was going on. 1250034019 Great book 1250034019 I am new to macrame (aside from making a million friendship bracelets in the 80's) so I was worried this book wouldn't be beginner enough for me.

St Martin's Griffin Macrame Pattern Book Learn how to make over 70 macrame knots and small repeat patterns and then use them to create a wide range of stunning patterns. This guidebook is an outstanding resource for both new and experienced knotters, Start with the basics then progress to complex designs with close up photographs and clear step by step diagrams and instructions, Includes 33 projects ranging from simple jewelry pieces to complicated projects including: net bags ornate baskets brooches necklaces and: Macrame Pattern Book: Includes Over 70 Knots and Small Repeat Patterns Plus Projects This book was very helpful in learning some knots and getting started with macrame, Good pictures and explanations 1250034019 I bought this book as a gift for my mother who recently mentioned macrame. She rarely shops online so resorted to searching for books at retail stores with no luck: This book is amazing! I just got it today and I've already learned so much! I'd say there are enough patterns 1250034019 The book came in excellent condition. But it is an excellent book that contains different knots and good ideas. Each page contains tons of useful information you can put into action immediately. It is pretty good though! Lots of beautiful patterns and information about macrame. 160 pages soft cover. This book is for the advanced and I'm just a beginner. 1250034019 Perfect! This book is a treasure. However I really didn't like 1250034019.
