

Blue Guide New York: Fifth Edition (Travel Series) By Carol V. Wright I would recommend it every
Blue Guide New York: Fifth Edition (Travel Series) The Blue Guide New York: interesting and useful
the right instrument I needed to start planning my adventure in New York! Blue Guide New York:
Fifth Edition (Travel Series) A most excellent guide to the Greatest City in the World. A must have to
really appreciate your visit to NYC Blue Guide New York: Fifth Edition (Travel Series) For anyone
planning a visit to the five boroughs this is a must have. If you are serious but getting to see and
understand New York City how it grew and developed why neighborhoods look the way they do and
how this Blue Guide New York: Fifth Edition (Travel Series)

writing this in haste. its either sold out or there is a copy on hold this is the go to book if you want to
become a tour guide I've Blue Guide New York: Fifth Edition (Travel Series) This book is great for
NY City history buffs. A little disappointed that the covers of these books tend to have scratches and
Blue Guide New York: Fifth Edition (Travel Series) Terrific book evidently also used by tourist guides
now. Manhattan is covered extensively from north to south east to west and that's great! However I
am extremely disappointed to find that out of 600+ pages this Blue Guide New York: Fifth Edition
(Travel Series) Fully updated new edition of this essential Blue Guide the guide of choice for experts
and independent travelers. This new edition of the essential Blue Guide takes you on a meticulous
tour of the well known lesser known and almost unknown sights of the city as well as being a
discerning guide to where to stay and eat,

“El libro” para prepararse el examen a guía de Nueva York. Cantidad de información precisa de la
ciudad para algo más que preparar un viaje allí Blue Guide New York: Fifth Edition (Travel Series)
The ultimate guide to Mew York. It was my biggest aspect for successfully passing my exam for
sightseeing guide here in the Big Apple: I could not find this book in the Manhattan public library
nor the queen's library nor could I find it at Strand. Blue Guide New York: Fifth Edition (Travel
Series) Not as daunting as the Blue Guides used to be with their once tiny tiny print and intimidating
look feel heaviness: I appreciate that the Blue Guides have taken on a slightly new design, Looking
forward to its next edition but right now it certainly gets you into a New York State of mind: History
historic buildings all the info on whatever museums you want to see great maps, Covers all the Blue
Guide New York: Fifth Edition (Travel Series) The Blue Guide New York has a ton of information and
is very useful to study for the licensing exam. A guide to New York City that works for residents and
visitors alike. Ideal for on street use and at home reference the depth of coverage is second to none:
this is a mini encyclopedia of a multi layered city: Blue Guide New York forms the basis for study for
accredited NYC tour guides, 10 color maps 35 B&W Photographs and two tone plans Blue Guide
New York: Fifth Edition (Travel Series).

. Lots of info wellstructured complete. For those in need of a real guide. Less pictures content.
Interesting historical and architectural facts. Forget other guides they only skim the surface. With
excellent detailed maps and plans
