

: 201 Spanish Words You Need to Know Flashcards (Barrons Foreign Language Guides): 9781506261942: Kendris Ph.D., Theodore: Books By rapo88.org A few words are different than I learned in school and this is definitely "Mexican Spanish" (as opposed to our desire for Puerto Rican Spanish) Serbian literature Liked the size and sturdiness of the cards.

I'm Colombian and I'm teaching my husband some Spanish! This is helping him a lot to learn new words and he's so happy about it. Serbian literature These are amazing flash cards! I enrolled my kids in a bilingual elementary school so we are trying to catch up with our Spanish lessons. These cards are super informative and go beyond just a basic word translation: For the price I feel like I got an absolutely wonderful Serbian literature Very easy for my 12 yr old!! He's learning Serbian literature \$17: 87 shipping : 201 Spanish Words You Need to Know Flashcards (Barrons Foreign Language Guides): 9781506261942: Kendris Ph: Theodore: BooksIt definitely help me with working on my Spanish, I just wish BARRON'S made a work book to go with these flashcards to practice with: Serbian literature Husband is just learning Spanish and I've been relearning, The flash card set up is easy to use for one or two person practice: I also found the sentences using the word to be to complicated, Perhaps use a mix of other words we're learning to build sentences. Serbian literature Just got the cards and their nice but I don't know if I got the ones advertised, The ones in the pictures show things like "how are you feeling " I wanted phrases like that. Serbian literature I am presently practicing to improve on my Spanish. I love the packaging however; I didn't know the cards would be so thin. If the cards were made thicker I would have rated a five.D. I just have to get better at trilling my rr's. It would be a complete set. Besides that I'm happy with my purchase. About 10% of the words are irrelevant. The cards I got are adjectives and nouns. I figure these flash cards will assist me. Serbian literature
