If you're learning Japanese seriously then it just feels wrong and unnatural to use a romaji dictionary, When you look up a word it shows multiple uses for the word: Also I am using the Japanese side of the book than the English: I find myself pausing Kodansha's Furigana Japanese Dictionary (Kodansha Dictionaries) Ainda usei pouco mas parece ser demais: Kodansha's Furigana Japanese Dictionary (Kodansha Dictionaries) I feel proud to have these two books of kodansha. Thanks to and Cocublue Retail to avail these books on very low cost: I buy the yellow one in 3740 and green one in 1941 rs With additional 3 months EMI interest cost, Kodansha's Furigana Japanese Dictionary (Kodansha Dictionaries) Personally I really like this book as it seems to be very thorough. Definitely a must have book for the advanced Japanese learner who needs to learn the Kanji in addition to just the vocabulary translation, With that in mind i have to say that this dictionary it's just perfect for me. Probably would make it really difficult to read if not familiar with hiragana yet when paired with the very small font. Kodansha's Furigana Japanese Dictionary (Kodansha Dictionaries) I'm currently studying the Japanese textbook Minna No Nihongo (chapter 7) and branching out to graded readers etc, org and Googling vocab I didn't know but I am so glad I finally bought this dictionary. That being said I love this. Bem completo legível. Ótimo dicionário de furigana! Vai ser muito útil. I've been relying on Jisho
