

Steve Vai Passion and Warfare (Guitar Recorded Versions) By Steve Vai Steve Vai Passion and Warfare (Guitar Recorded Versions) If you can play any of this you are a master! This is one of the most detailed tablature books I have ever seen in my life! I mean WOW! Steve Vai really lays it out here. Steve Vai Passion and Warfare (Guitar Recorded Versions) Per me che non suono da più di dieci anni acquistare questo spartito significa tornare adolescente con tutti i discorsi sulla musica mai sopiti veramente e urlati in faccia agli amici e a quelli che non apprezzavano questi guizzi d'ingegno.
