L'ALVEOLO SFUGGENTE: Alla ricerca della perfezione nel Pane e nella Pizza fatti a mano -
Tecniche e Ricette As an Italian living abroad it is just natural to seek for a pizza that tastes just like
it does back home: Unfortunately that's not always easy to find so one starts looking for ways to
make a good pizza at home, I tried many recipes and made plenty of okay pizzas in my life but this
book was a real game changer for me, I mostly make focaccia pizza which is easier to make in my
home oven but the results are outstanding, Thank you very much for writing this amazing book and
unlocking the secrets of great pizza making for the rest of us! Womens studies
