

Discovery: Noisy Baby Animals! (10-Button Sound Books) By Thea Feldman **Discoveryid+** One doesn't hear a seal every day...maybe I'm out of practise! Baby will enjoy it anyway Board book My Granddaughter loves this book Board book The book is fun but since you can't turn the switch off it drains the batteries even when on standby:72 shipping Discovery: Noisy Baby Animals! (10-Button Sound Books) The book it's self was lovely but came with water damage so was returned Board book Good product would recommend it: **Book discovery platform** Board book The noises were perhaps a bit different than I'd expect. **Discovery books** After six months we are on our fourth set of batteries compared to other similar books that are still on their first (at similar use levels), **EPub discovery channel** Board book Book looks great perfect for babies but ours unfortunately wasn't working: **Discovery ftp** Board book My 8 month loves this book!! Board book
