

Leonardo: Discovering the Life of Leonardo Da Vinci By Serge Bramly **Booking.com leonardo hotel** Bramly neither seriously elucidates the core elements of da Vinci's scientific and technological concerns nor profoundly illuminates the formal nature of his artistic achievement but this chronologically structured survey is not without its introductory value. **Leonardo info rina** But though serviceable this introduction would have benefited from a extensive scrutiny of da Vincian literature and a greater appreciation of the impact of the artist's limited oeuvre on the history of art,

Leonardo express

While there is no lack of scholarship about the protean genius of da Vinci this competent biographical treatment can nevertheless be welcomed: **Leonardo** The necessarily frustrating recitation of da Vinci's brilliantly conceived but unfinished or aborted projects is neatly set within the context of contemporary patronage: **Leonardo express** The central mysteries of this well documented yet enigmatic personality are suggested without the author's acquiescing to the allure of facile psychologizing: **Booking.com leonardo hotel** of Technology New York Copyright 1991 Reed Business Information Inc.
