And Performance

Renee Emunah is a rare combination of clinician teacher and clear writer. Free from the academies that plagues much clinical writing she has written a major theoretical contribution to the growing field of drama therapy. While the field has often been technique heavy in the past Emunah corrects this by situating drama therapy in the larger field of scholarship in theatre dramatic play psychodrama dramatic ritual and role play. She integrates this with key elements from humanistic psychology psychodynamics and cognitive behaviorism thus relating the field to the larger discourse in psychotherapy. She has made a major contribution to the field. **Acting For Real: Drama Therapy Process.**
