He was too distant. He was a complete jerk and not worth her time. She’ll always be the lowest priority in his life. Sad for her to put up with that. All of these books keep rolling with no resolution. Vail and Vanir's story was steamy passionate and tragic. I loved it. VANIR is a member of the

Raiders of Valhalla. My heart hurt so much for him and for Vail. Unfortunately Vanir is late to the party. There is no stopping him from keeping Vail safe
