I really did not enjoy this book. It took us about 5 minutes to read the whole thing. Poor value for money spent. Also not a very intriguing story. Do not recommend. Hockey It's a comic book. Thought it was a chapter book. Ha ha ha still cute. Had hoped for a bit . My 7 year old loves it. Hockey Good quality paper and a really cute book. Hockey Cute book. Good story. Set up like a comic. Not my favourite. Hockey My son is 9 and struggles with reading. He absolutely loves these books I just wish there were . Haha. Hockey It's a great positive book. My 6 year old read the whole collection. He loved all the books. It's a perfect match for Dogman fans. She reads these over and over. Hopefully someone else has been enjoying it. □ Hockey
