

Steven Universe: End of an Era By Chris McDonnell

Se você é fã de Steven Universo e se tem (ou não) o primeiro livro ou se você gosta da série e tem interesse em design arte e animação: recomendo bastante! É cheio de partes únicas e inéditas da série que te fazem voltar no tempo e se ligar novamente a esse universo compreender toda sua criação e boa parte dos mistérios não revelados da história. Este produto não é um livro: é uma obra de arte! O produto veio MUITO antes do prazo e veio em excelente estado! et 1 de plus Format Kindle Relié Rely love Steven universe and have been a big fan for years I had the first half of these Art of books and I'm so glad I was able to buy one containing artwork and concept sketches from the end of the shows run. I know there is a separate book for the art of the movie but it is currently out of stock and I cant find it anywhere D: et 1 de plus Format Kindle Relié This book is just as amazing as the previous volume. et 1 de plus Format Kindle Relié Perfect product my Son loves this et 1 de plus Format Kindle Relié My teenage daughter who loves art found this book amazing. et 1 de plus Format Kindle Relié The official sequel to the bestselling Steven Universe: Art & Origins Steven Universe: End of an Era is the eagerly anticipated follow up to the bestselling behind the scenes companion book Steven Universe: Art & Origins. Showcasing new concept art storyboards background paintings and exclusive interviews End of an Era will update the history of the Emmy Award winning series to cover season four through to the critically acclaimed nale Change Your Mind and beyond. Fans can expect a special focus on creator and showrunner Rebecca Sugar's elaborate process for creating the lore for the series as she and the crew reveal how they discovered and developed the complete story arc for each character as well as how they were able to design a show that so refreshingly captures and celebrates the experience of childhood. Bon il est en Anglais mais si vous n'avez pas de difficulté avec l'anglais et que vous êtes fans de Steven Universe bah fonçés ! et 1 de plus Format Kindle Relié Perfect 3 et 1 de plus Format Kindle Relié Merci pour cet envoi très satisfaisant ! et 1 de plus Format Kindle Relié Très bon complément en plus du premier artbook. My only downside to this book is I wish it contained art from the movie. I loved all the sketches and the small info snippets we get from it: It's perfect for fans but I wouldn't recommend checking it before finishing the series because it's obviously full of spoilers. It was a Christmas present her favourite present ever I think: Steven Universe: End of an Era is a heartfelt send off to one of the most progressive imaginative and beloved animated series of our time: Steven Universe: End of an Era

Je ne m'attendais pas à ce qu'il soit si grand et avec autant de pages c'est vraiment magnifique et très complet. et 1 de plus Format Kindle Relié Vraiment incroyable je ne m'attendais pas à avoir un aussi bel Artbook, Je recommande vivement ! et 1 de plus Format Kindle Relié.

. The cover art is also beautiful. C'est pour offrir et je sais d'avance qu'il va plaire. Il est arrivé dans les temps et en parfaite condition
