

Geisha: A Unique World of Tradition, Elegance and Art By John Gallagher **Geisha client** You'll view the subtle changes of appearance through the round of seasonal events and the elaborate array of equipment in the geisha's wardrobe as well as everything she needs to do her demanding jobs.

**Geisha book review** The photographs of geisha and maiko (geishas-in-training) both past and present of prostitutes in the 20th century and the historical illustrations are clear and beautifully reproduced on high quality stock. **Geisha girl plant** Gallagher is careful to note that the focus of his work is primarily the city of Kyoto and he explains Kyoto's special place in Japanese culture and history as the primary city for pursuits of pleasure for several hundred years. **Geishad** Since it is currently available at Barnes & Noble for around \$11 it is a great addition to anyone's library and makes a wonderful gift for a young woman--someone in her mid-teens which is the same age as many girls who make the choice to become geisha--who has a keen interest in Japanese culture:
