seems to me to be truly foolish. **Book Earth Song, Sky spirited** It is helpful I suppose for an ethnic literature course except that many of the authors are quite bad so all it shows is that: **Earth Song, Sky spiritflight** Native Americans can write? I think we all already knew that. **Earth Song, Sky spiritflight** I think people would be pretty offended if there was a book of only white people stories assuming that it is important that people understand the white experience, **Book Earth Song, Sky spirit** Then again I understand the minority aspect the underrepresented an unspoken aspect the histories and the culture bleeding into the stories -- I get all of that really: **Earth Song, Sky Spirit ebook3000** My problem is that writing must be about the writing for me not the history the culture or anything else and this writing lacks. **Book Earth Song, Sky spirit airlines** If someone is interested in reading stories that reflect a culture this is a great example but not of good writing: **Book Earth Song, Sky spirit** Topics range from life in reservations to stories of the past with mixture of Native folklore: **Book Earth Song, Sky spirit** My favorite story is of Spider Woman and overall I would recommend to a friend. He earned a B.A. and M.A. He earned a Ph.D. He earned a B.A. and M.A. He earned a Ph.D. Some of these stories are good. None of them are great unfortunately. English I enjoyed most of the stories in this anthology. Some were more difficult to grasp than others
