

## Raising Up A prophety

A must-read for anyone interested in the genealogy of non-violent struggle for social justice and/or in how the ideas and tactics of struggles in one time and place may be shared into another. **PDF Raising Up A prophetess** Kapur's thesis is that between 1919 and 1955 African-American intellectuals and political organizers followed Gandhi's campaigns closely debated the meaning of those campaigns for their own struggle and educated the African-American community about them. **Raising Up A Prophet book review** They did this by means of traveling to India to talk with Gandhi and study his methods hosting Gandhian emissaries to the US theorizing the similarities between Satyagraha and the philosophy of Jesus organizing international communities of non-white peoples adapting Gandhi's methods for their own experiments with protest and civil disobedience and most importantly by reporting on and debating Gandhi in leading African-American newspapers. **Raising Up A prophety man** Thus Kapur argues by way of discussion debate and activism in the decades leading up to the Montgomery bus boycott [these leaders] helped to create the circumstances that made possible the emergence of Martin Luther King Jr. **EBook Raising Up A prophetess** One of the most important lessons to be learned from this study (and from the new biography of Rosa Parks) is that social change is usually the work of a community of thinkers and organizers who theorize their experience of injustice study and experiment with a range of potential solutions and raise up leaders to help effect them. **Raising Up A prophety** This is in contrast to the messianic narratives of leaders who spring up out of nowhere with self-contained genius and courage to show their communities what needs to be done, **Book Raising Up A prophetic** Kapur's counter-narrative in no way detracts from King's genius or courage but grounds both in the cooperative intelligence and daring of his multi-generational community, **Raising Up A Prophet ebookee** American revolutionary war Raising Up A Prophet: The African American Encounter With Gandhi.
