

Strange Worlds of Science Fiction By Wallace Wood **EBook Strange Worlds of Science fiction books** In addition to Wood's hundreds of comic book pages he illustrated for books and magazines while also working in a variety of other areas — advertising; packaging and product illustrations; gag cartoons; record album covers. Wallace Allan Wood was an American comic book writer artist and independent publisher best known for his work in EC Comics and Mad. **Book Strange Worlds of Science fiction** In addition to Wood's hundreds of comic book pages he illustrated for books and magazines while also working in a variety of other areas — advertising; packaging and product illustrations; gag cartoons; record album covers; posters; syndicated comic strips; and trading cards including work on Topps' landmark Mars Attacks set. **EPub Strange Worlds of Science fiction vs EC editor Harvey Kurtzman** who had worked closely with Wood during the 1950s once commented Wally had a tension in him an intensity that he locked away in an internal steam boiler. **PDF Strange Worlds of Science fictional** I think he delivered some of the finest work that was ever drawn and I think it's to his credit that he put so much intensity into his work at great sacrifice to himself. **Book Strange Worlds of Science fictional** Wally Wood was an artist of whom I was previously unfamiliar but apparently every single retro science fiction image I've seen in my life is somehow referencing his original artwork which was far more detailed and expressive than that of the generic aliens and flying saucer comics I'd previously enjoyed.

Strange Worlds of Science Fiction Comics Graphic novels

Wallace Allan Wood was an American comic book writer artist and independent publisher best known for his work in EC Comics and Mad. **Strange Worlds of Science fictionlog** Although much of his early professional artwork is signed Wallace Wood he became known as Wally Wood a name he claimed to dislike: **Strange Worlds of Science Fiction bookstore** Within the comics community he was also known as Woody a name he sometimes used as a signature, **Strange Worlds of Science fictionkin terms** He was the first inductee into the comic books Jack Kirby Hall of Fame in 1989 and was inducted into the subsequent Will Eisner Award Hall of Fame three years later. **EPub Strange Worlds of Science fiction** Although much of his early professional artwork is signed Wallace Wood he became known as Wally Wood a name he claimed to dislike, **Book Strange Worlds of Science fiction** Within the comics community he was also known as Woody a name he sometimes used as a signature. **Strange Worlds of Science fictionlog** He was the first inductee into the comic book's Jack Kirby Hall of Fame in 1989 and was inducted into the subsequent Will Eisner Award Hall of Fame three years later, **PDF Strange Worlds of Science fiction** For much of his adult life Wood suffered from chronic unexplainable headaches: **Strange Worlds of Science fictionkin definition** In the 1970s following bouts with alcoholism Wood suffered from kidney failure, **Strange Worlds of Science fictionflicker** Faced with declining health and career prospects he committed suicide by gunshot three years later. **Strange Worlds of Science fictionlog** His first marriage was to artist Tatjana Wood who later did extensive work as a comic

book colorist: **Comics Graphic Novels Strange Worlds of Science fictional** I think it ate away his insides and the work really used him up, **Strange Worlds of Science fictionhunt** EC publisher William Gaines once stated Wally may have been our most troubled artist I'm not suggesting any connection but he may have been our most brilliant, **Strange Worlds of Science Fiction ebooks free** {site_link} Strange Worlds of Science FictionAll of Wood's non-EC 1950s sci0fi comics 224 Any book that's full of Wally Wood art is a winner in my book. **Strange Worlds of Science fictionising** Still Wood rush jobs are better than 50% of what you find in comics these days, **Book Strange Worlds of Science fiction** 224 Wally Wood was one of the great comic book artists of the 1950s, **PDF Strange Worlds of Science fiction** Strange Worlds of Science Fiction is a decent collection of some of his SF work from 1950 to 1958. **Strange Worlds of Science fictionkin terms** Most of the stories are in color but a couple are in black and white. **Kindle Strange Worlds of Science fiction meaning** Although mostly known for his work at EC none of the complete stories reprinted here are from EC, **Strange Worlds of Science fictionkin card** Most of the stories are from various Avon titles; and one complete story from Timely/Atlas is included. **Strange Worlds of Science fictionkin card** (Coincidentally this story The Executioner was also reprinted in Marvel Masterworks: Atlas Era: Journey into Mystery Volume 4 which I read just before I finished this, **Strange Worlds of Science fictionkin definition**)Between many stories a single page from an EC story appears and the cover gallery reprints some EC covers but none are full page: **Strange Worlds of Science Fiction epub reader** Also included are 5 strips from 1958 from the comic strip Sky Masters of the Space Force, **Strange Worlds of Science fictionkin card** The strip was drawn by Jack Kirby and the reprinted strips were inked by Wally Wood. **Strange Worlds of Science fictionlog** The art is distinctly Kirby's but Kirby has seldom looked so polished. **Book Strange Worlds of Science fiction vs** While I prefer Wood's fantasy art Strange Worlds of Science Fiction was enjoyable; and Wood's art is always a treat, **Strange Worlds of Science fictional town** 224 Science fiction comics of the 1950s are something of an acquired taste for the modern reader but if you've acquired it then this collection is a pretty good vintage, **Book Strange Worlds of Science fiction** Yes the writing is pretty lousy (god-awful in many cases) but that's not why you'd pick up a volume like this and you know it, **Strange Worlds of Science Fiction books** Rockets! Alien worlds! Sexy space vixens! Jungles on Venus! Ice monsters on Pluto! Cavemen and dinosaurs for crying out loud! And all without an ounce of irony or self-consciousness, **Strange Worlds of Science fictionbut** Even for someone who wasn't alive in the Fifties this collection cranks the nostalgia knob up to 11: **Book Strange Worlds of Science fiction** 224 I have always loved the graphic stories aka comic books: **Book Strange Worlds of Science fiction books** Here I am well into my sixth decade and still reading comic books: **Book Strange Worlds of Science fiction** While there is a wealth of really good books out there today I must say I'm stuck in my time from the 50's 60's and 70's. **Strange Worlds of Science fictionkin quiz** It's hard to find artists today who can invoke such immediate involvement into the story (at least for me) as some of those early pencilers: **Strange Worlds of Science fictionkin card** Wally Wood with his horror fantasy and science fiction stories is one of the best from that era, **Strange Worlds of Science fictionette** Tales From The Crypt Creepy Tales Of The Incredible and not to forget the first four issues of The M, **Book Strange Worlds of Science fiction vs** Patrol in the early sixties for me are stories I can read over and over. **Book Strange Worlds of Science fiction meaning** Finding this compilation of stories by Wood I am all over again enthralled by the skill and artistry that blends story and pictures into an endgame. **PDF Strange Worlds of Science fictional** If you can find a copy of this book please read it for the stories then look at it for the artwork and once more for the whole picture. A stroke in 1978 caused a loss of vision in one eye.Wood was married three times. Most of this stuff isn't his A material however. Storylines haven't changed a whole lot but the artwork.A.R.S. Timeless. You will not be disappointed! 224.
