

Mouth to Mouth By Michael Kimball **Mouth to mouth book ending** Robert Ewbank author John Wesley Natural Man and the 'Isms' Mystery Thrillers I find this book so destructive so i will not recommend this book to any of my friends to read. **Mouth to mouth resuscitation history** Mystery Thrillers I picked up this book at the library because it sounded intriguing - a woman hates her new son-in-law and just met someone who might be willing to take of her problem for her. **Mouth to mouth resuscitation history** I read the first few chapters and it seemed promising at first - turns out the handsome stranger is her nephew and his father (her brother-in-law) committed suicide under mysterious circumstances. **Mouth to mouthman hoodie** Mystery Thrillers Michael Kimball first caught my attention in 1985 with Firewater Pond a boisterously comic novel set in rural Maine and populated by an assortment of aging hippies horny teenagers and scheming small town politicians. **Mouth to mouthman** Moreen Chambers 17 years old and very pregnant has just married a 27-year-old outlaw named Randy a violent potentially abusive loser who works as an enforcer for a local loan shark. **Mouth to mouth book summary** As Ellen stands contemplating the travesty-in-progress looking like someone who is wondering if it's possible to get away with murder an attractive stranger whispers in her ear: Actually it is. **Book mouth to mouth** That 12-year-old tragedy the details of which have never been fully revealed dominates the backdrop of the primary narrative casting a long remorseless shadow over everything that happens in this book. **Mouth to Mouth epub air** Within days of Moreen's wedding Neal is ensconced at the Chambers's sheep farm having volunteered to rebuild their dilapidated barn a task he completes with almost superhuman efficiency in 12 days. **Mouth to mouth protection** Ellen's ambiguous response to this offer -- which she neither condones nor actively forbids -- comes back to haunt her when early in the novel Randy suffers a sudden accident while repairing a leak in the Chamber's dammed-up pond. **Mouth to mouthtrap series** The next stage of the novel concerns Ellen's gradual realization that she has allowed a psychopath to enter her life and that her son-in-law's fate is just a single element in a complex -- and demented -- agenda that Neal has been working toward since his father's suicide 12 years before. **Mouth to Mouth epub file** This agenda encompasses Neal's entire family all of whom have been targeted -- according to a bizarre but precise numerological system -- for punishments that reflect Neal's deeply twisted sense of poetic justice. **Book mouth to mouth** Kimball has the true writer's eye for character action and atmosphere and his novel is filled with vividly constructed sequences -- a protracted drowning a forbidden erotic encounter between Ellen and Neal a staged conflagration in the Chambers's newly rebuilt barn a climactic encounter in a frozen flooded valley -- that are alternately frightening and hypnotically fascinating. **Mouth to mouth resuscitation history** As Ellen struggles helplessly against the tidal pull of events her marriage flounders her personal and professional lives slide simultaneously out of control and her distant incommunicative daughter drifts further and further out of reach. **Mouth to Mouth kindle store** Kimball catches all of this with sympathy and precision and the result is a powerful sometimes desolating account of the destruction -- and partial reconstruction -- of a deeply vulnerable family.

## **Hand to mouth book**

But an ok read Mystery Thrillers I really couldn't get into this book and it took me until I was more than halfway through it to figure out why: **Mouth to mouth review** It's because I couldn't stand any of the characters! They are all jerks -- especially Moreen: **EPub Mouth to mouth** I wasn't sympathetic toward any of them and I actually found myself rooting for the killer, **Book mouth to mouth** Although he was kind of ridiculous and was written almost as a caricature: **Word of mouth book** It wasn't much of a mystery (not hard to figure out what's going to happen when the bad guy is dead and you still have 100 pages left). **Mouth to mouth novel** It probably only deserved one star.

## **Mouth to mouth protection**

Stephen King recommended book: **Mr mouthy mouth** He says: The sort of book you think about during the day and can't wait to settle back into at night: **Mouth to mouth book reviews** Mystery Thrillers If I had to summarize this book in a word I'd say taut. **Mouth to mouth breathing** People swirling around each other with malintent bad things happening and sexual tension yanking it all together, **Word of mouth book** As with Mike's other books Maine is a living breathing character here, **Book mouth to mouth** Mystery Thrillers Ellen and Scott Chambers's nephew returns to the small Maine town of his father's suicide for vengeance on those he thinks are responsible, **Mouth to mouth novel** Wow! A real page-turner! Darkly psychological with lots of plot twists. **Mouth to mouth resuscitation history** Mystery Thrillers This author does a great job of creating a rather sickening feeling throughout, **Mouth to Mouth epub.pub** You simply know evil is present and that events will collide in a cataclysmic finale: **Mouth to mouth book** One particularly erotic seen but otherwise just steady suspenseful tension, **Mouth to mouth book summary** Mystery Thrillers When I started reading this book I would that it was very different from other books I have read: **Mouth to mouth review** At first I did not like it but then as I read further it was easy to get caught up in tyhe story and I thought it was a good read, **Word of mouth book** A strange book but one that will catch you and bring you into the action fi you don't watch out: **Mouth to mouth book** if u are a hopeless romantic and u have so much respect in family affairs don't read this book, **Book mouth to mouth** Anyway our opinion differs so its up to u if want to read it or not. **Mouth to mouth book summary** Mystery Thrillers Bit long winded but I got it for free so I was generous: **EPub Mouth to mouth free** But the more I read the less I liked it - just too violent and kind of icky, **Mouth to mouthoff app** I couldn't seem investing the time to get to the bitter end. **Hand to mouth book** This book seemed to go on and on and on and even in the end there were things left unresolved, **Book mouth to mouth** I did like the plot and the writing contained a lot of smart word choices which I appreciated. **Mouth to mouthtrap series** Took a long time to read because of all the things that have happened in my life so far this year: **Word of mouth book** After much too long a silence Kimball resurfaced in 1996 with Undone a suspense novel that marked a major change of artistic direction, **EPub Mouth to mouth guard** Now a mere four years later Kimball has published his third novel Mouth to Mouth, **EBook Mouth to mouthpiece** It too is a suspense novel and it's a beauty: a moody brooding Gothic account of murder madness and festering family secrets: **Mouth to mouth novel** Mouth to Mouth opens with a set piece in which most of the elements of the subsequent tragedy move quickly into view. **Kindle Mouth to mouth guard** Moreen's mother Ellen whose own marriage has fallen on difficult times despises her new son-in-law and foresees nothing but a bleak unhappy future for her daughter. **I have no mouth pdf** The stranger it turns out is Neal Chambers 24-year-old nephew of Ellen's husband Scott, **Word of mouth book** Twelve years before in the wake of his father's suicide Neal and his mother had left the town of Destin Maine behind and have not been heard from since: **Mouth to mouth book ending** As we quickly learn the suicide of Jonathan Chambers was the direct result of an adulterous affair between his brother Scott and his wife April. **Mouth to mouth book reviews** Neal is a charismatic figure who exerts a powerful -- and immediate -- erotic hold over Ellen Chambers: **EPub Mouth to mouth** (Twelve by the way is a talismanic number for Neal and shows up repeatedly throughout the novel. **I have no mouth pdf** ) At the same time Neal volunteers to help Ellen resolve her son-in-law problem: **Mouth to mouth book reviews** Mouth to Mouth is an intelligent emotionally wrenching novel that does its work on

more than one level. **Mouth to mouth book summary** First of all it is a tense thoroughly professional thriller that becomes more and more absorbing as the narrative progresses, **Mouth to mouth novel** But the real heart of Mouth to Mouth is Kimball's painstaking portrait of a family collapsing under the combined weight of guilt silence and secrecy: **Mouth to mouth book reviews** As Neal proceeds with his schemes he locates the fault lines in a damaged family that has more than its share of dysfunctional characteristics to begin with: **Mouth to mouth no longer part of cpr** This more than anything gives Mouth to Mouth its emotional and dramatic center lifting it well above the level of its numerous less ambitious competitors. I just don't think this was a well-written book. I hated everyone in it. Some things were left unexplained. It's sly sexy suspenseful and very very moving. And unnerving. Great characterizations. Keeps you guessing. Highly recommend.J. Mystery Thrillers Not my favorite. The scene ironically is a wedding. --Bill Sheehan Mouth to Mouth.
