3. The story was a very sweet engaging love story. Malanie and Jeremy were two awesome likable people. Better editing is definitely warranted in this book. He loved her and the ground she walked on. Jeremy followed his father into the military. A chance fight outside of a diner reunited these two. Ms. Melanie and Lt. Woods story was great. Second chances at love. Malanie was Jeremy Wood's high-school sweetheart. Malanie Johnson came from a broken and abusive home. So she made the only decision she could at the time. Ten years later they're reunited. This was a sad but great love story. Another great and riveting read. This is Malanie was Jeremy's story. Forgiveness and love is a very powerful thing. I stayed up to the wee hours to finish it. 00 stars. Love is never easy but its worth all the hard work.
