

Paula, Michael and Bob: Everything You Know Is Wrong By Gerry Agar **Paula, Michael and bobnetworkuk** I think she had always had serious mental problems and Bob Geldof's insistence on a normal family life with set routines and keeping the press to a certain extent at arms length probably kept the lid on it somewhat. **Paula, Michael and bobni** When their lives collided the events that unfolded were too bizarre even for fiction; the very public seduction and intense love affair the fights the drugs bust heartbreaking custody battles financial deals and the deaths of Paula and Michael were front-page news for months. **Paula, Michael and Bob ebooks online** A former publicist and Paula's long-term friend Gerry's life both personal and professional became inextricably tied to those of the star-crossed lovers and to the one who would be left behind. **Book Paula, Michael and bob evans** My love for Michael Hutchence is fed with this slightly ridiculous biography of the last years of his life (along with his kooky British wife/girlfriend and Bob Geldof -- aka the guy who did Live Aid). **Paula, Michael and bobnetworkuk** Tales of heroin ecstasy coke booze Bono and a sex life that defies description make it impossible to put down but the writing is terrible the author (Paula Yates' unofficial publicist whatever that means) inserts herself into nearly every scene and the recollected conversations defy belief. **PDF Paula, Michael and bob marley** Now of course we only have the author's POV as the two people who really knew what was going on are no longer with us but I felt it was more an indictment of the perils of drug addiction than anything else. **Paula, Michael and bobnealandsons** Paula was very selfish manipulative lying and Michael just a typical drug addled rock star searching for the next high be it drugs or sex! I could take or leave Paula Yates in life and if I'm honest my opinion has not altered. **Book Paula, Michael and bobby bare** Gerry Agar Interesting & Eye Opening As a fan of both Michael & Bob I never knew the backstory to the very sad & untimely deaths of Michael & Bob's ez-wife Paula Yates. **Book Paula, Michael and bob marley** All in all it was an interesting view on the time & events leading to the tragic demise of 2 very special & adored individuals Gerry Agar I never particularly liked Paula Yates.

Paula, Michael and bobz world

There was always something about her that reminded me of the spiteful girl at school that you always avoided because you didn't want to be involved with her drama, **Book Paula, Michael and bob dylan** I can remember watching her fall from grace with a sort of morbid curiosity and thinking to myself that she seemed to have totally lost her mind: **Paula, Michael and bobnface** Leaving Geldof and taking up with Michael Hutchence quite obviously let the genie quite firmly out of the bottle: **Book Paula, Michael and bobby** Hutchence was just a drug addled disaster and mix that in with Yates and her insanity and you can sort of understand why it all went boom: **Book Paula, Michael and bob evans** Gerry Agar.

storm, **Paula, Michael and bobnealandsons** Paula Michael and Bob: Everything You Know Is Wrong A tragic story on so many levels: **Book Paula, Michael and bob dylan** As far as the book goes it was definitely readable it held my interest but I became more and more irritated by the author's tone as the book went on: **Paula, Michael and Bob booking** She spouts tough love aphorisms and represents herself as some kind of an addiction expert when clearly she is nothing of the sort. **Paula, Michael and bobnet** I do on occasion read books about Musicians although the ones I choose are usually Biographies: **Paula, Michael and bobzcarz** I used to be a heck of a concert goer (although these days. **Book Paula, Michael and bobcat** not so much!) but I have read many a book by many a Musician and each of them to be unique in their own way, **Paula, Michael and bobnealandsons** Growing up I had much of their material and just loved listening to them. **Book Paula, Michael and bobby** I also had like many a fan a huge crush on Michael Hutchence, **Book Paula, Michael and bob evans** I was shocked when he died and as I am sure many other fans did I wanted to know more about what happened. **EBook Paula, Michael and bobcat** I wanted to know why someone who seemingly had everything would take their own life: **Book Paula, Michael and bob marley** I was also just a kid when this occurred and being older now I can see beyond the rose colored glasses that many a young adult wears: **Book Paula, Michael and bobby bare** This book was a recent read for me despite it's having been out for quite awhile, **Paula, Michael and bobzilla** This book was written by a friend of Paula Yates and I must say I did not get far before skimming ultimately DNFING it, **Kindle Paula, Michael and bob ross** I read some of the other reviews and wholeheartedly agree that it just felt like reading gossip: **Paula, Michael and bobnface** I really could not get involved in the book at all and did eventually wind up giving it a friend and fellow INXS fan who adored it, **Paula, Michael and Bob books** I had read another book before this one that really succeeded in hooking me in and delved very deep. **Book Paula, Michael and bob dylan** Gerry Agar This biography was written by Gerry Agar one of Yates friends and part-time PR: **EPub Paula, Michael and bob saget** Agar has first hand knowledge of people and events although she cannot be described as permanent member of an inner circle: **Book Paula, Michael and bobcat** Her tale unfolds from a casual meeting with Yates collecting kids from school and rekindling an old acquaintance. **Paula, Michael and Bob epub's air** Paula is described as very intelligent but unstable and unreliable. **Paula, Michael and bobz world** Considering how she dumped people when they were of no further use to her this description seems pretty accurate, **Kindle Paula, Michael and bob ross** Yates had a borderline personality kept under control during the marriage with domineering (but dependable) Geldof, **Book Paula, Michael and bob dylan** However after 20 years together Yates was having enough of Saint Bob. **Paula, Michael and bobnet** I guess it must be difficult to live with somebody who reached semi-god status, **Book Paula, Michael and bob saget** Unfortunately her reaction to marital trouble was very predictable. **Book Paula, Michael and bob ross** Hutchence had some psychological flaws of his own and the result was two people getting the worst out of each other: **Book Paula, Michael and bobby brown** From sordid clandestinity the affair developed into tabloid fodder also thanks to Yates: **Book Paula, Michael and bobby** She pushed the story into the open possibly trying to infuse some reality into an episode that was better left short and secret, **Book Paula, Michael and bob evans** Chapter after chapter we follow a storm of court battles fights for money and child custody substance-abuse escalation delusion and paranoia etc, **Book Paula, Michael and bob ross** Hutchence sarcastically described as her part-time boyfriend went down first crushed by the pressure coupled with his fragile personality. **Paula, Michael and bobnet** At the time of his death Yates was not working her lavish lifestyle being financed by the men in her life and by her deals with tabloids, **Kindle Paula, Michael and bob ross** Whatever shred of sympathy I might have felt for Yates dissolved after reading of the huge amounts she received for interviews and photos of herself and her children: **PDF Paula, Michael and bob marley** There is much complaint about gutter press but it sounds like celebrities are more than happy to exploit it when in need: **Paula, Michael and bobnet** I did not read any tabloids throughout the years of the Bob/Paula/Michael triangle so I thought I was quite open-minded and unprejudiced: **Paula, Michael and bobmy dylan** However I found the tale

gloomy and I finished the book with relief, **Book Paula, Michael and bob's** I never found Yates particularly likable and after reading this book I found her even less so. **Paula, Michael and Bob books** Unfortunately I did not find Saint Bob or elegantly wasted Michael much more agreeable. **Book Paula, Michael and bob dylan** All the parties seemed worried only with getting what they wanted and under no circumstances Geldof could be mistaken for a victim: **Book Paula, Michael and bobby bare** But the physical and chronological distance did not dilute the lust greed selfishness and delusion that permeate the story: **Paula, Michael and bobnface** Gerry Agar Halfway enjoyable 90s nostalgia sleaze fest though you may end up detesting everyone involved and wishing the death toll was a little higher: **Paula, Michael and bobnet** Sample line: "The doctor diagnosed a form of thrush caused by too much penetration, **Paula, Michael and Bob pdf converter** Gerry Agar Quite absorbing but leaves you feeling sorry at the same time like you've just spent five hours reading gossip magazines, **Paula, Michael and bobzilla** Gerry Agar

GERRY AGAR

I haven't been on GoodReads for a while -- but I'm back with a vengeance with this the latest edition to the literary canon. **Book Paula, Michael and bob's** A gossipy tale of the Hutch howevs makes my heart beat faster. **Paula, Michael and Bob bookman** I can't put this baby down! Gerry Agar I vaguely remember all this happening in the late 90s but it was something I didn't really take an interest in, **PDF Paula, Michael and bob saget** I wasn't that big a fan of INXS and didn't know the first thing about Paula Yates beyond the headlines. **Paula, Michael and bobz bikes** And yes it does seem that the bits that I thought I knew were wrong, **Paula, Michael and bobny** After reading this I've come to the conclusion that it was all terribly sad and tragic and nobody comes out of it smelling of roses. **Book Paula, Michael and bobby brown** Gerry Agar Selfish starsWell I really don't know what to say about this book: **Book Paula, Michael and bob dylan** I read the first chapter and nearly gave up but decided to keep going: **Paula, Michael and Bob pdf editor** As the book wasn't on I couldn't put it down but nobody really came out of it well except Sir Bob!: **Paula, Michael and bobz bikes** it's a good read I just thought what a waste of life and how very selfish these people are: **Paula, Michael and Bob pdf reader** How much did her mother's behaviour contribute to Peaches' death? Some people have everything but it's still never enough, **Paula, Michael and bobz bikes** Though I'm sure there's other sides opinions & speculation this book gives you a good look into the entire story start to finish, **EPub Paula, Michael and bob evans** It was also written by someone who was there & directly involved as a caring friend & PR consultant to Paula Yates. This is Gerry Agar's story of Paula Michael & Bob. Gerry Agar came across as smug and self-satisfied. Gerry Agar Not really very good. INXS was a band I LOVED. But at the time it was pretty shocking and baffling. And I just didn't like it much. I just didn't like it. thus showing how different opinions can be. So maybe that is the issue. In any event. this was not the book for me. I could sympathise with her about that. Yates started an affair which grew into an obsession. Yates wanted too much and everything to suit her needs. Nobody could contradict her or she threatened suicide. I am not an INXS nor a Geldof fan. I did not want to pick a side. Nevertheless it left a bad aftertaste. Eventually he prevailed in the most bizarre twist of events." You have been warned. They screw their lives up and blame everybody else. The greatest sadness is those poor girls
