

Danger! Tiger Crossing (Fantastic Frame, #1) By Lin Oliver

Danger! Tiger Crossing pdf drive

When ten-year-old Tiger Brooks and his family move into a new home he sees some strange things at the house next door—like a talking pig in a top hat! When he and his neighbor Luna Lopez investigate they discover a reclusive old woman and her magical golden frame through which they can enter the world's greatest paintings. **EBook Danger! Tiger crossings community** But they must escape the jungle adventure before time runs out otherwise they'll be trapped in the painting forever! **Danger! Tiger Crossing (Fantastic Frame #1)**This series is really good!**Tiger and Luna's** weird neighbor is a recluse in a big creepy house. **Book Danger! Tiger crossing broad** Lots of fun and adventure a bit of magic and you learn about art! What's not to like? 128 The Radical Readers loved this book and especially found it funny that David hadn't taken a shower or got a hair cut for many many years. **Danger! Tiger Crossing epubor** We enjoyed a discussion of what each of us would do if we were stuck in a painting what famous paintings we heard of and what they predicted would happen in the next book in the series. **Danger! Tiger Crossing pdf merger** Frank and I took turns on this so I didn't follow the whole story but it a) pleased JP to no end — he was actually excited to get back to it in the evenings and b) was SO much better written than the infernal Magic Treehouse books. **EBook Danger! Tiger crossings community** I myself was a Magic Tree House fan and if this book (eventually series) had been published I would have devoured them in hearty greed just as I once did many a series in second grade. **Danger! Tiger Crossing epubs air** It's an amazing read for younger children with enough adventure to leave them on the edge of their seats lots of art history to learn and a fresh new story that will capture the imagination. **Danger! Tiger Crossing ebook3000** While the set-up is equally simple yet adventurous the act of jumping through a magical frame to go inside a painting is enhanced by solid writing and a slightly more urgent motivation. **Danger! Tiger Crossing kindle paperwhite** Little details such as the illustrations being black and white during the time outside the painting and then becoming full color when the kids are inside the picture are very classy touches. **EPub Danger! Tiger crossing broad** In this book Tiger and Luna get pulled into the painting Surprised! or Tiger in a Tropical Storm by Henri Rousseau, **Danger! Tiger Crossing ebook reader** When they try to investigate they learn about The Fantastic Frame a magical frame that sucked the neighbor's son inside 50 years ago: **Danger! Tiger Crossing kindle unlimited** They must survive inside the frame's painting and try to figure out how to get back: **Danger! Tiger Crossing pdf** Each book explores a different famous painting with back matter giving details on the painting and artist: **PDF Danger! Tiger crossing guard** It was a very enjoyable read! 128 Read aloud to the younger kids. **Kindle Danger! Tiger crossing delancey** Strengths: good length for this type of book nice illustrations clever plot that interacted well with the illustrations: **Danger! Tiger Crossing ebooks online** Loved the art theme and that real art was referenced multiple times: **Danger! Tiger Crossing pdf drive** Weaknesses: characters were introduced really quickly and the plot while creative was also very contrived, **Danger! Tiger crossings** Final thoughts: I will read the sequel because this one was so fun and kept my kids engaged. **Danger! Tiger Crossing ebooks online** 128 Tiger and his family has just moved into the neighborhood when his little sister swears she saw a pig in a top hat on the swing out back. **Danger! Tiger Crossing ebook reader** Tiger doesn't believe her until he sees it himself! Turns out the pig lives next door with a woman who's been looking for her son for the past 50 years. **Danger! Tiger Crossing epub reader** Delve into the artwork of this book while trying to figure out what happened: **Danger! Tiger crossings golf** Maybe suggest to struggling readers? 128 Kids get pulled into a famous painting and have an adventure there - basically Magic Treehouse but with fine art: **EBook Danger! Tiger crossing** First in a series that I have recommended a few times already, **Book Danger! Tiger crossing delancey** 128 An adventure story that involves children cast out of time/place: **Danger! Tiger Crossing epubor** Also — a nice FYI about the features art at the end

was a nice bonus. **Danger! Tiger Crossing pdf merger** We have also read books 2 3 and 4 and it is really nice story arc. **Danger! Tiger Crossing kindle** There's a magical picture frame and at a certain time each day it's possible to step through it into the painting currently on display. **Danger! Tiger Crossing book** The paintings are always classics so there's a solid dose of art history at the end of the adventure, **Book Danger! Tiger crossing broad** Another fun detail: during scenes that happen in the real world illustrations are in black & white but once the kids enter a painting everything's in full color: **Book Danger! Tiger crossing broad** Visually appealing but it feels like something a parent/teacher would assign for its educational value rather than something a kid would pick up for fun. **Danger! Tiger Crossing epublising** the series could be a valuable resource for classrooms & homeschoolers: **Danger! Tiger Crossing booking** It is for a younger audience and as I heard somewhere else it's perfect for fans of Magic Tree House. **Book Danger! Tiger crossing guard** The author also did a very good job intertwining history of paintings into the story even describing well-known paintings in a scene: **Danger! Tiger Crossing ebook reader** 128 As far as chapter books go this has things like Magic Treehouse beat. **Danger! Tiger Crossing booker** As if that weren't interesting enough you learn something about each painting and it's painter at the end of the book. Tiger and Luna accidentally get sucked in too. Not my favorite but I still liked it. Works well for grades 1-3. I meant to add that I went back and read it through. 128 An interesting series concept. So . 128 This was a wonderful quick-to-read chapter book. 128 Good for 2nd and 3rd grade booktalks. For fans of The Magic Tree House books and Jumanji. 128
