

Her Strict Husband: A Domestic Discipline Story By Brooke Knight And my final thing is I didn't like Mike fucking Amy in front of Hogan without Becca being there and then Hogan and Becca going on an overnight trip together while Amy was away and Mike was busy working. Amy.

Brooke E Knight Worth reading could have been longer but Will read follow up number 2 just to see if it continues story worth 4 stars English Her Strict Husband Wow I loved reading this book. That being said this series is the perfect example of this : one of the couples have a baby (plus he already has a young son) and they stop practicing for several months. In that time the wife is constantly late brushing off her responsibilities and other infraction when husband finally decides to get off his ass when she comes home late and whips her so hard she pisses herself during it. Join Amy Hogan Becca and Mike in this sexy romp as they navigate the new chapters of their lives a wedding a move new relationships and plenty of punishment for naughty behavior. 18 and over! This erotic romance contains the following themes or activities: spanking humiliation anal play explicit sexual activity and domestic discipline relationships where the woman is submissive to her husband.

He's been with Betsy for a little over a year and they also practice Domestic Discipline, Linda actually has two men to answer to ever since Ryan turned 18 and he doesn't hesitate to spank his Momma: One of the things I found absolutely disgusting was that Hogan makes Amy wash (with her tongue) his dick after vaginal or anal sex. WHAT THE ACTUAL FUCK ? You never ever go ass to mouth ! Bob pissing on Linda as she knelt in the tub because she pissed on their marriage was also gross, Plus all the men in the books were constantly eye fucking and getting wood over other women or watching them get disciplined and getting all hot and bothered. English Amy and Hogan are a newly married domestic discipline couple. It's a short read but it's well written and packs a punch, I love these 2 couples They are the perfect couples to start this series, Most of all Amy Hogan Becca and Mike have a special bond I'm just to see more of them and their friends, English This is the first book in the Her Strict Husband series by Brooke E: The series features four couples who practice Domestic Discipline there are various POV's in each of the books because most of the characters appear in all of them, The idea of Domestic Discipline totally intrigues me and I find it fascinating so I've read many books featuring it: The one thing that always bothers me when reading this type of book is when something happens to the couple (birth illness etc, ) and they stop practicing for a while and then the female will continuously act out and the male lets it slide: This goes on for a while which to me is the man slacking on his duties and failing in his role as Head of Household, and BOOM she gets a spanking for the first time in months and it's more harsh because of all the pent up energy thinking about all her past transgressions: In my opinion in this situation it's the HOH who seriously dropped the ball and someone should be disciplining his ass, Amy and Becca have been best friends for many years and have seen each other through a lot: Amy is happily married to Hogan and they practice Domestic Discipline he is the Head of Household (HOH): When Hogan first met Amy she was very insecure and thought negatively about herself and he's worked very hard with her since then to build her up. Becca is thrilled that Amy has found such a kind loving man to be her husband but she's also a little jealous: Becca has had several bad relationships and in college she was a bit of a whore having sex with a crap ton of guys, Hogan has a friend named Mike who he's known since college. Mike is very attracted to Becca and instantly senses she's submissive so he asks her out: Bob and Linda have been married for 14 years they have a thirteen year old daughter named Katie and he has a son named Ryan from a previous marriage, Bob and Linda just joined the same church as Hogan and Amy which believes the man is HOH and the woman should be taken in hand: Ryan is a college student a submissive wife is learning to thrive under her southern alpha husband's strict discipline, Becca is Amy's best friend who has run from her submissive urges into bad relationship after bad relationship but Becca may have finally met her match with Mike, If such themes offend you please do not purchase this book. This book just reminds me of the Victorian Era. Knight. Then when he's finally had enough he'll snap . Anyway back to the actual series and what it's about.
