

Journey: The Amazing Story of OR-7, the Oregon Wolf that Made History By Beckie Elgin **Book journey to the heart** The story of OR-7 the tagged Oregon wolf who left northeast Oregon to find a mate and became the first wild wolf to enter California in 87 years is an amazing true-life adventure. **Journeylite of cincinnati** As the author skillfully tells the story of OR-7 (named Journey by two schoolgirls in an Oregon Wild naming contest) she adds background information about the lifestyles of wolves their history with humans methods used by scientists to study wolves. **Journey hub** Concepts such as tranquilizers trail cameras trophic cascades GPS non-lethal protections for livestock DNA Endangered Species Act and more are well-explained in addition to the glossary at the back of the book. **EPub journey band** {site\_link} Join the adventures of the famous wolf OR-7 also known as Journey as he trots across the landscape of the Pacific Northwest into territories that have not seen his kind for nearly a century. **Book journey** Journey: The Amazing Story of OR-7 the Oregon Wolf that Made History was created for middle-grade readers but will be appreciated by everyone with an interest in wolves and a desire to better understand these complex and essential canines. **Journey book ideas** While I don't disagree with the author's choice to advocate for the wolfs I wish that she would have spent a bit more time exploring the tangled relationship between the wildlife farmer/rancher and the government. **Kindle journey** Her text shifts from narrative told from the perspective of wolves—a tricky business that!—straight forward exposition from the viewpoint of observers and more scientific information plus occasional sidebars that add specific details. **Journey ppt template free** A final note & a spoiler: I dislike collaring wild animals even in service of understanding them better thus I am glad all attempts to re-collar Journey and to collar members of his pack have failed. **Book journey of souls** Rick Lamplugh author of In the Temple of Wolves: A Winter's Immersion in Wild Yellowstone and the forthcoming Deep into Yellowstone: A Year's Immersion in Grandeur and Controversy Beckie Elgin.

. Well written and enjoyable Beckie Elgin The entrancing cover showing a lone wolf in a forest of tall trees invites the reader in. **Journey childrenswear** Photographs illustrations and maps showing wolves their territories and environments add specific details to the story: **Book journey home** The author also presents some dilemmas such as science intruding into the lives of wolves with collaring and tracking vs. **Book journeys end** gaining information to learn about wolves and how to protect and live harmoniously with them: **Book journey to the cross** Extensive information continues at the end of the book with source notes the glossary and an extensive list of references for further reading. **Journeying with god** In the end the author encourages young (and old) readers to love Nature and take action to benefit animals and our environment, **Journeybuilder** Possible careers to assist wildlife are suggested and in closing the authors writes . **Journeying with god** know that in any job you do there are many ways to help make this a better world for animals for the environment and for other people: **Journey ppt template free** A portion of proceeds from the book go to support Oregon Wild in their efforts to protect wolves: **Kindle journey** Beckie Elgin A great narrative nonfiction choice for middle school students especially those who normally do not enjoy nonfiction: **Journeybuilder** Beckie Elgin An informative and engaging narrative complemented with illustrations maps and photographs. **Book journey to the west** Beckie Elgin

I was raised in Iowa and now live in the lovely Rogue Valley of southern Oregon. **Journey nonfiction best** My father was a zoo director so I was surrounded by animals while growing up. **Journeying with god** Since then I've raised three wonderful children become an RN and write in my free time, **Book journey of souls** As I spend a lot of time in my car I've become a big fan of audio books, **Journey pdf** I was raised in Iowa and now live in the lovely Rogue Valley of southern Oregon, **Journey hub** My father was a zoo director so I was surrounded by animals while growing up. **Journey childrenswear** Since then I've raised three wonderful children become an RN and write in my free time, **Journeylite of cincinnati** As I spend a lot of time in my car I've become a big fan of audio books, **Journey pdf** Follow this remarkable animal as he searches for and finally finds what he was seeking during his three-year 4000-mile trek. **Journey childrenswear** Along the way you'll discover fascinating facts about wolves and meet the humans that had a role in Journey's quest. **Journey nonfiction best** Enjoy the many photographs maps and sketches that help tell the tale of this courageous wolf: **Journeyapps/sqlcipher** com Journey: The Amazing Story of OR-7 the Oregon Wolf that Made History This book was well researched and quite informative but I had a few issues with it: **Journey pdf** There is a lot of text on the page and the vocabulary didn't hold back but there were many pictures and at times the author took on the persona of the wolf, **Journey book guide animal jam** It seemed a bit strange and I found myself distracted by who should be reading this. **Journeylite of cincinnati** Many books these days come with an opinion even if they classify themselves as nonfiction and this book was no different: **Journey journey** From the little I know it's a complicated story and deserved a bit more coverage that it received in this book: **Kindle journeys shoes** All in all I would recommend this book to wildlife lovers and those interested in Western wolves, **Journey pub - skydome** Beckie Elgin Fun look at OR7's exploration aimed at a younger audience (which I didn't realize), **Journey hub** It tells a story written from the wolf's POV a little fiction thrown in with the nonfiction. **Journey book aaron becker** It's got some fun pictures of the trail cam shots and the territory traveled: **Book journey to the west** However over half the book is references which was disappointing, **Journeybuilder** Beckie Elgin This is a book about Journey or OR-7 the Oregon wolf that mad history. **Pdf journey's end** It is about his life travels and the impact he has made in the re-introduction of wolves into Oregon. **Journeybuilder** The author intersperses scientific facts with the imagined thoughts of Journey as he traveled. **Book journey to the west** She writes with both the perspective of the wolf itself and of the observer, **Journeys kindergarten decodable readers pdf** The illustrations maps and photos are great and help your experience with the book even more meaningful, **Journeys kindergarten curriculum map** All said although this book was written for a young audience Journey is quite interesting for all ages encouraging a love of wolves and nature, **Book journey home** Good read! Beckie Elgin As soon as I took it out of the mailer I knew I was going to love this book, **Childrens journey map** The illustrations maps and photographs are great but it is the text I most enjoy, **Journeylite of cincinnati** Elgin tells the story of one wolf as a frame for providing detailed information about wolves in general: **Journeys book grade 4** She is not sentimental and seems to have a clear understanding of the way wolves perceive the world, **Journey hub** The book must have been a labor of love but it is a labor she pursued with scientific accuracy. **Journeying with god** I look forward to sharing this book with family and friends: **Book journey of the valley** But I do love wolves and this book is wonderful! Recommended for lovers of wilderness and all wild things: **Childrens journey map** Beckie Elgin In writing Journey The Amazing Story of OR-7 the Oregon Wolf that Made History Beckie Elgin accomplished something spectacular: **Journeyapps/sqlcipher** She created the best record I have ever read of this important wolf's life journey and impact. **Nonfiction journey band** Her knowledge about and love for these essential predators graces every page, **Journeybuilder** I especially like that she wrote this story using two voices, **Childrens journey map** One is that of an accomplished nature writer who knows her subject intimately: **Journeyapps/sqlcipher** We can enjoy the journey from his point of view because of what Beckie calls her well-informed imagination, **Journey hub** And then she added artwork—colorful photos drawings and maps—that enhances the story even further. **Book journey to a dream** Beckie created a book that pleases the eye the mind and the heart: **Cilkas journey**

**kindle** Beckie wrote Journey The Amazing Story of OR-7 the Oregon Wolf that Made History for young people, **Childrens journey map** But after reveling in this book I'm convinced it should be in the library of every person—young or old—who cares about wolves and their precarious place on this planet[1]

Wonderful read especially if you love wolves. This book is for everyone--not just middle grade readers. . An abundance of useful end matter. I love to read both fiction and nonfiction. I love to read both fiction and nonfiction. Learn more at [journeyor7](#). The first issue I had was the target audience. I couldn't tell who the author was writing for. The second issue I saw coming. Overall it's a neat glimpse at an awesome wolf. This book is well researched and very informative. This enhances your understanding of the subject matter. It is square and a good size to hold. From the wolf: Writers often get animal perspectives wrong. Elgin nailed this challenging point of view. It is a highly entertaining read for people of any age. I do not often like YA books which this seems to be. Disclosure: This book was a no-strings-attached gift. I am grateful. OR-7 could not have a better biographer or advocate. Beckie had the good fortune of growing up with wolves. The other voice is that of OR-7
