You will never look at Halloween the same again. Only Halloween not Christmas. It's scary funny. English Decimus Coome despises Halloween. It will definitely put you in the Halloween spirit. I liked that it was updated. I cried reading this book. I also laughed. He even shuns his own daughter and grandson. She warns him of three spirits yet to follow. And oh what spirits they are. It may be the best Halloween book I've ever read. It's kind of a Goldilocks type Halloween book. not too scary not too childish. I certainly shed a couple of tears at moments. Purdy and this book. Very quickly he loses enthusiasm for pretty much everything. I was skeptical about this book at first. "You scared the

Dickens out of me!" English.
