First Jess's mother is killed in the same car accident that injures her leg: **I am still alive book pdf** Then Jess is sent to live up north with her father an extreme survivalist: **I am still alive book pdf** Despite herself Jess learns how to survive out in the wilderness: **I Am Still alivewith you** Her experiences and many mistakes help her grow as a person: **I am still alive book pdf** Her enormous love for her dog Bo was the heartbreak romance in this novel, **I am still alive book pdf** This novel is action-packed and filled with riveting descriptions of the rugged but beautiful wilderness - a place that does not love me and that I do not love, **I am still alive summary** But we don't expect love from each other the wild and me, **I am still alive book pdf** Respect! Jess had no choice but to fend for herself in order to survive and as the title of the story confirms: My name is Jess Cooper and I am still alive. **EBook I Am Still alive elvis** I thoroughly enjoyed this one! 331 I feel like three stars always look a little weird so let me clarify that this is a positive three-star rating, **I am still alive book pdf** This is a compelling survival story that is marketed as a revenge story and I just... didn't get exactly what I was hoping, **EBook I Am Still alive elvis** So my main thought about this is that this is very well-written but it's essentially just a survival story and doesn't go much beyond: **I am still alive book pdf** We don't even see the lead plotting revenge until like page 200 and in a book where the marketing that caught me was Revenge this was disappointing, **I am still alive book pdf** But on a counterexample it was the plot that kept me reading - survival stories are always fun for me, **I am still alive book pdf** And yeah as survival stories go it didn't do anything new but it didn't have to, **I am still alive book pdf** Survival stories are great and always have been and always will remain so so who really cares? I mean I guess it made the book a little less entertaining for me, **I am still alive book pdf** I did not find the main character Jess particularly compelling on her own which is something that tends to really set survival stories apart for me: **I am still alive book pdf** Jess has a disability and the narrative does a really good job with it!! But that was kind of... the whole list of everything that set the story apart, **I am still alive book pdf** I wouldn't rush to recommend but I'm certainly not going to tell you to take it off your TBR if you like survival stories. **I am still alive book summary** Blog | Goodreads | Twitter | Youtube 331 Great survival story. **I Am Still alivewith you** There is ABSOLUTELY ZERO ROMANCE for those looking for that in a book, **I'm still alive book** Disability rep: The character has a new to her disability at the start of the book. **Books like i am still alive** She often refers to herself as broken but a later scene does show her checking her own thoughts about disability: **I am still alive book pdf** Her father shuns physical therapy and he makes no accommodations for her disability has a mindset of nature will cure you, **I Am Still alivewith you** Her mother dies in a car crash severely injuring her and now she's got no-one: **I am still alive song** She's only 16 and is in turn forced to go live with her estranged father who she hasn't seen in about 12 years. **Kindle I Am Still alive book review** Dad is a homesteader and off-the-grid he hates the government and is living off the land: **I Am Still alivewith you** They are out in the middle of nowhere in the rough Canada wilderness and this life she's dumped into is a harsh shocking reality, **I am still alive book pdf** Cue me freaking out! We read through journal entries Jess writes about her life with her mom - before, **I Am Still Alive kindle store** Where Jess has no-one but a loyal dog-wolf hybrid named Bo and her own sheer willpower. **I Am Still alivewith you** Will she survive the winter in Canada? How will she eat stay warm and even just survive walking through the wilderness when her body is still hurting and broken, **I Am Still Alive kindle store** And who killed her father? This was an easy breezy read that had me sucked in from start to finish, **I am still alive pdf** The writing is really good and I enjoyed the suspense and found myself rooting for Jess (and Bo!) to survive. **I am still alive by kate alicia marshall pdf** buddy read with sheena! ☐ 331 I love a good survival story but this story felt like a non-stop pity party from start to finish, **I am still alive book pdf** I got so

tired of listening to Jess cry and feel sorry for herself. **Kindle I Am Still alive book review** I seriously found myself having more sympathy for the dog than I did Jess: **I Am Still Alive kindle store** It definitely needs more action and suspense and less whining! *I received this ARC from First to Read in exchange for an honest review: **EBook I Am Still alive elvis** First she lost her mother in a car accident that left her injured and facing months of physical therapy, **Kindle I Am Still alive book review** Then she was shipped off to live with her father in the Canadian wilderness. **I am still alive book quotes** She barely remembers her father and she doesn't want to live with him in the middle of nowhere: **I Am Still alive** Soon after she arrives her dad is gone too and Jess is left to face the wilderness alone, **Books like i am still alive** Can she survive? I love this book! Once I started reading I couldn't stop, **I am still alive book pdf** I had to find out what happens! I binge read the entire thing, **I Am Still alive** Jess is stronger and more capable than she believes at first, **I am still alive book pdf** As she struggles to learn how to hunt and keep herself dry and warm she comes to learn just how intelligent and resourceful she is, **I am still alive book pdf** She not only takes care of herself and her dad's dog Bo yes but the main focus is the relationship between a daughter and her estranged father, **I Am Still alive** It's first of all a revenge plot (you might say duh it's in the synopsis you idiot and you'd be right *sigh*) and it's told from the main character's personal journal. **I Am Still Alive kindle store** Plus it has lots of flashbacks which I historically don't like in a book if they so heavily break the narrative structure. **I Am Still alive with you** KAM's writing is raw and emotional while being quick at the same time and I adored it: **EBook I Am Still alive elvis** I also liked that she included a disabled main character and didn't sugarcoat her struggles both mental and physical. **I Am Still Alive epub download** I liked Jess but not enough to get emotionally attached to her, **I am still alive book pdf** As she's the one and only character you follow for most of the book it was difficult not to feel neutral towards the story, **Kindle I Am Still alive book review** KAM definitely has a great voice I just need to find the right book of hers that will mesh better with me. Jess has not had it easy lately. She was recently in an automobile accident with her mother. She knows they are coming back but she's going to be ready for them but this one I just could not put down. All opinions expressed are entirely my own. There's survival.
