

Dawn Raid (My New Zealand Story) By Pauline (Vaeluaga) Smith **Dawn raids series** An essential addition to every school library in New Zealand English Recently the current Prime Minister of New Zealand admitted to the events that are discussed in this book - discrimination against Pacific Islanders beginning under the leadership of Prime Minister Norman Kirk and continued under Prime Minister Rob Muldoon from the early 1970's through the early 1980's. **Dawn raid guidance** Pauline's book is filled with facts that make one wonder exactly what century New Zealand was living in during this time ---- ONLY ONE national television station and one had to have a special license to own a black and white set. **Dawn raider charters** ??????????Sofia is just trying to be a normal girl in 1976 figuring how to earn enough money to buy a pair of white go-go boots just like the ones Nancy Sinatra sings about in her song These Boots are Made for Walking. **Does sirius radio have a folk music station** But the one thing that is against Sofia is she is considered a Pacific Islander she and her extended family are in constant turmoil over the possibility of being sent back to their homeland. **Dawn raid procedure uk** The fame of the American Black Panther movement has reached New Zealand with the creation of the Polynesian Panthers much to the dismay of the forces that be - protests are not something that the government puts up with. **Dawn raider charters** This book taught me that the 70s in New Zealand saw people fighting for equality recognition and honesty which I did not know about this little country :) English Excellent book. **Dawn raidu uclh** Some of the language is more reflective of today than then - we would never have talked about Aotearoa/New Zealand; and as is said at the end kids would never have challenged parents in the way shown. **Dawn raid training** This is set in 1976 and it is so 1976! I loved reading about the time - MacDonald's opens milk runs the price of items movies TV shows music and the political situation of the time. **Dawn raid pauline vaeluaga smith** Like many 13-year-old girls Sofia's main worries are how she can earn enough pocket money to buy the groovy go-go boots that are all the rage and if she will die of embarrassment giving a speech she has to do for school! It comes as a surprise to Sofia and her family when her big brother Lenny talks about protests overstayers and injustices against Pacific Islanders. **Dawn raid book quotes** Through her spirited and heartfelt diary entries we join Sofia as she navigates life in the 1970s and is inspired by the courageous and tireless work of the Polynesian Panthers as they encourage immigrant families across New Zealand to stand up for their rights. **Dawn Raid booker** I would recommend this book for a tween who is finding their voice in the world for a Social Studies teacher to pair with lessons about the Black Panthers and the American Indian Movement and to anyone interested in contemporary novels about the diaspora of indigenous experiences throughout the world. **Dawn raid book netflix** English Wow I absolutely loved this book! Many people think racism isn't a huge issue in NZ but it's a topic that is swept under the rug especially pacific islanders who endured racism on a daily basis in the 1970s. **Dawn raidu university of york** Smith's first book My New Zealand Story: Dawn Raid was a finalist at the New Zealand Book Awards for Children and Young People in the Esther Glen Junior Fiction and Best First Book categories. **Dawn raid free pdf** Smith's first book My New Zealand Story: Dawn Raid was a finalist at the New Zealand Book Awards for Children and Young People in the Esther Glen Junior Fiction and Best First Book categories.

## Dawn raids nz book

I did wonder that a lot of the references would be totally lost of the kids in this generation: **Dawn raid que es** However there is a great section at the back that fills in the reader, **Dawn raid stories** Those who lived in the 70s will really enjoy the references - lots of memories: **Kindle dawn raid book** This is written in diary form of a 13 year old girl living in Porirua. **Dawn raid book nz** It follows the issues of the time focusing on the dawn raids: **Dawn raid training** It is written from a young girl's perspective but explains the big issues really well - the reader understands the situation as Sofia does: **Dawn Raid bookkeeping** English Imagine this: You're having an amazing family holiday.

## Dawn raids play

Fabulous story ticked all my boxes. **Dawn raids novel** The Islanders were blamed for the lose of jobs for the white majority of New Zealanders and were under constant threat of being separated from their families by the authorities, **Dawn raid facts** In fact the majority of the overstayers (about two-thirds) were from Australia North America and European countries: **Dawn raid guidance** Pauline has added historical information at the conclusion of Sofia's story along with photos from events during this time. **Dawn Raid booker** English Such a significant read about the injustices faced by Polynesian people in New Zealand book in the 70s: **Dawn raid bookpedia** This book teaches the bias connotations the media forces upon us and how this can skew the public opinion, **Dawn raids what happened** I grew up in Porirua in the 70s and 80s and this brought back many memories of the city in those times and the political events of the time. **Dawn raids play** I can see many many conversation starters here for kids today. **Dawn raid training** English A very quick read about an important part of NZ's history. **Dawn raid support** As I was reading one where everyone is there and all 18 of you are squeezed into one house, **Dawn raid facts** All of sudden it's 4 o'clock in the morning and there's banging and yelling and screaming: **Dawn raids wigan** The Police are in the house pulling people out of bed . **Dawn raid book** My New Zealand Story is a series of vividly imagined accounts of life in the past . **Dawn Raid booker** Dawn Raid (My New Zealand Story)I fell in love with the cover but it is what inside that brought me to happy tears: **Dawn raid training** This is also a great read-alike for The Revolution of Evelyn Serrano by Sonia Manzano and If I Ever Get Out of Here by Eric Gansworth: **Dawn Raid booker** If only there were more books like this! English Well this is a tricky review to write so I will keep it simple. **Dawn Raid bookkeeping** 5 stars for the subject matter of which all New Zealanders should know about. **Dawn raids play** 2 Stars for the lacklustre delivery with a character who is 13 but seems more like a very young child due to the way she has been written. **Dawn raid uk** 5 but I really wish this had more teeth to it as it was an outrageous policy where people were terrorised and left traumatised. **Dawn Raid booker** English Well-executed middle grade fiction about an important and shameful part of New Zealand History, **Dawn raid procedure uk** I'm so glad that our publishers support stories like this for our young people: **Dawn raider game** English Solid read about racism stereotyping media manipulation and an awful part in NZ history: **Dawn raid procedure** I hope the book gets the recognition it needs it's a 5/5 for me ☐ English

Pauline (Vaeluaga) Smith is an author and educationalist: **Dawn raid meaning** Born in the small rural town of Matura Pauline is of Samoan Tuvaluan Scottish and Irish descent. **Dawn raid uk** Born in the small rural town of Matura Pauline is of Samoan Tuvaluan Scottish and Irish descent. An important read - one all NZ students should read. making history come alive. I'll give it 3. Latest book in the My New Zealand Story books. It was the winner of the Best First Book for 2018.
