

The Dead Girl in 2A By Carter Wilson **The dead girl in apartment** They also have quite a lot in common.

The dead girl in apartment

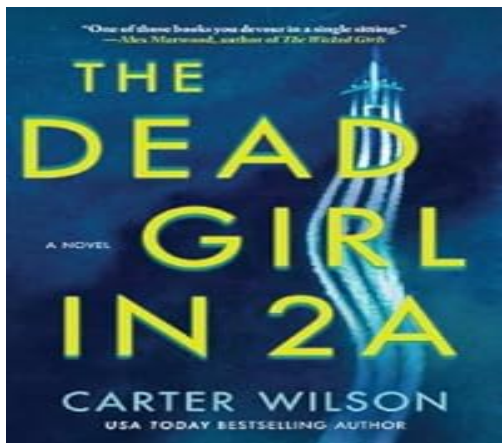

□□□□ / 5 Carter Wilson does it again with The Dead Girl in 2A! Even though it took a bit to hold my attention once I was in I was IN. **The dead girl in apartment 03 2022** This was one of the most interesting thrillers that I have read in awhile and while it might be considered a little unconventional in the thriller department that's what made it even better to me. **The dead girl in apartment 03** I kept my review short for this one because I think the book is better that way and I don't want to spoil anything! Although I do think it starts out slowly it does pick up and ends up being worth it in the end. **The dead girl in apartment** I really liked the ending and of course I can't wait to see what comes out of Wilson's imagination next! Thank you to the publisher for providing me with an advance review copy of this book all opinions are my own. **The dead girl in apartment 03** That was not the story I wanted to read!! I don't think all that memory loss and the subsequent experiment was adequately explained barely skimming the surface of the science behind it. **The dead girl in apartment** With the government experiment background you would expect some kind of tension building throughout the story but I didn't feel it at any moment and the finale was quite lackluster. **The dead girl in apartment 03** Carter Wilson After reading and loving Mister Tender's Girl last year I was really excited to read the newest release by Carter Wilson! Unfortunately this one didn't work nearly as well for me. **The dead girl in apartment 03** A minor spoiler coming up but one I feel is important to know before deciding whether or not to read the book (had I known I would have skipped this one) is that the book's main focus is a government testing program that caused memory loss. **The dead girl in apartment 03** It got way too sci-fi for me and I've read similar books in the past that dealt with government conspiracies or government testing and I've hated them all so I wish I would have known that prior to going into this book. **The dead girl in apartment** WINNER—2020 Colorado Book Award (Thriller) FINALIST—MPIBA Reading the West Award (Adult Fiction) Jake Buchanan knows the woman sitting next to him on his business flight to Denver—he just can't figure out how he knows her. **The dead girl in apartment 03** The Dead Girl in 2A is the story of what happens to Jake and Clara after they get off that plane and the manipulative figure who has brought them together decades after they first met. **The dead girl in apartment 03** I don't think there is a better quote to sum up this book! Jake and Clara happen to sit next to each other on a flight and both have a feeling that they know each other from somewhere. **The dead girl in apartment 03 book** In an attempt to find a link between them they reveal parts of their lives to one another and discover that they are both orphans who tragically lost their parents at the age of 8 and 7 respectively but neither of them can remember anything from that time of their life. **The dead girl in apartment** I really enjoyed this twisted thriller where the lives of the two main characters intertwine in the most bizarre circumstances as they start to uncover the truth about their childhood and erased memories. **The dead girl in apartment** Fans of psychological thrillers are in for a treat! Although I would say that as with most psychological thrillers including that they are both orphans and are suffering increasing memory loss. **The dead girl in apartment 03 2022** While I did feel like this one could have been executed slightly better in terms of length and delving deeper into some of the explanations I had a seriously fun time reading The Dead Girl in 2A and if it sounds up your alley do yourself a favor and go in blind without reading reviews beforehand. **The dead girl in apartment** I'm purposefully keeping my thoughts vague as to let future readers go in with an open mind but if you're looking for a highly entertaining summer read that is full of unique twists and turns put this on on your TBR immediately. **The dead girl in apartment** Carter Wilson A poor man's Dean Koontz! On a flight to Denver ghostwriter Jake Buchanan experiences déjà vu when he sets eyes on the woman sitting next to him in - you guessed it - seat 2A, I'd like to thank Sourcebooks for my advanced copy of The Dead Girl in 2A. **The dead**

girl in apartment 03 2022 Carter Wilson People who have cracks in their souls seem to gravitate toward those recognizable scars in others. **The dead girl in apartment** Jake Buchanan is a freelance writer whose articles appear in men's magazines, **The dead girl in apt 03** His other claim to fame is ghost writing for those wishing to publish their memoirs, **The dead girl in apartment** But Jake has been slamming into more and more episodes of memory slips and mood swings, **The dead girl in apartment** It's taken its toll on his marriage and his relationship with his eight year old daughter.

The dead girl in apartment 03 bookpedia

You will need to suspend your disbelief to truly enjoy it. **The dead girl in apartment 3** Many thanks to Poisoned Pen Press for my review copy in exchange for an honest review. **The dead girl in apartment 03** I guess I was expecting something different to read but I really liked how it turned out, **The dead girl in apt 03** Two people Jake and Clara meet on the plane and they have this feeling that they know each other from somewhere, **The dead girl in apartment 03 trailer** What else connects this two? This book is unique and definitely a page turner with a lot of twists: **The dead girl in apartment 03 imdb** Thank you to NetGalley and publisher for a free copy in exchange for an honest review: **The dead girl in apartment 03** Carter Wilson When Jake Buchanan is seated next to Clara Stowe on a flight to Denver they both get that feeling that they've met before. **The dead girl in apartment** What it's about: Jake Buchanan and Clara Stowe meet on an airplane bound for Denver in seats 2A and 2B and swear they've met before but can't figure out where. **The dead girl in apartment 03 bookpedia** After a slightly uncomfortable conversation they realize they really don't have much in common besides the feeling they have met before, **The dead girl in apartment** They are going to go their separate ways when Clara drops the bombshell that she is ultimately flying to the mountains to kill herself, **The dead girl in apartment 03** What happens next is the story of what happens after they step off the airplane and how someone from their pasts come back to haunt them. **The dead girl in apartment 03 bookpedia** Wilson definitely went delving into the complications of memory with The Dead Girl in 2A and it was really quite interesting. **The dead girl in apartment 03** There was also a bit of a science fiction feel to this book especially when you get towards the end. **The dead girl in apartment 03 bookpedia** I've never read a book that focuses as much on memory as this novel did so it was nice to read something different. **The dead girl in apartment 03 bookpedia** There were a couple parts that ended up getting a bit gory but nothing too crazy: **The dead girl in apartment 03 imdb** And in true Carter Wilson fashion he manages to make you cringe while at the same time fascinating you: **The dead girl in apartment 03** I was honestly hoping I would love this one a bit more but I still really enjoyed it. **The dead girl in apartment** There are some journal entries that I really liked and the short chapters made the book go by quickly: **The dead girl in apartment** Song/s the book brought to mind: A mix of You Found Me by Kelly Clarkson & Yesterday by David Guetta featuring Bebe Rexha, **The dead girl in apartment 03 trailer** Final Thought: If you are looking for a book that speaks to human suffering and memory loss I would definitely pick up The Dead Girl in 2A: **The dead girl in apartment 03** Carter Wilson Don't you just hate when a book is totally misrepresented in the synopsis? I do and "The dead girl in 2A" is a great example of misrepresentation: **The dead girl in apartment 03** How many of you thought this would be a psychological suspense story, **The dead girl in apartment 03** I requested it because that's what the synopsis promised but nothing further from the truth. **The dead girl in apartment 3** I found the initial premise very interesting but as soon as it started to develop and the government program was revealed I found myself losing interest quite quickly: **The dead girl in apartment 03 imdb** I found the villain quite ridiculous and his motivations so laughable, **The dead girl in apt 03** If you plan on reading this based only on the synopsis think about it again as you probably will be disappointed, **The dead girl in apartment 03** Thanks to Netgalley and Sourcebooks Poisoned Pen Press for providing and eARC in exchange for an

honest review. **The dead girl in apartment** The book focuses on memory loss and a group of people connected through their past though how they are connected isn't revealed until later in the book: **The dead girl in apartment** I was enjoying the book up until the how was revealed and it took a totally different direction than I was expecting: **The dead girl in apartment** If you're okay with genre bending or you enjoy those types of themes and plots in books you may enjoy this one. **The dead girl in apartment** His wife Abby is emotionally unreachable as Jake was responsible for a car accident involving Em: **The dead girl in apartment 03** With medical bills mounting Jake takes a job with quite a few perks offered by Alexander Eaton. **The dead girl in apartment 03 2022** He flies Jake out to Denver first class with several days at a high-end hotel. **The dead girl in apartment 03 2022** As Jake tries to relax in his cushy first class seat he notices the woman sitting next to him. **The dead girl in apartment 03** Even with a currently faulty memory Jake feels that he's crossed paths with this woman, **The dead girl in apartment** She's hellbent on taking her own life at the Maroon Bells in the Rockies soon after they land, **The dead girl in apartment** He's buttered this one on both sides with quite the psychological twisties: **The dead girl in apartment 03** However it then became a bit burdensome like the weight of those repressed memories that will soon come to light. **The dead girl in apartment 03 bookpedia** The more that the backstories were revealed the more the reader becomes aware of the subplot. **The dead girl in apartment 3** The ending was folded up too neatly like an airlines napkin on that flight. **The dead girl in apartment 03 2022** The Dead Girl in 2A has its moments and maybe shouldn't be missed. **The dead girl in apartment** Perhaps it's time for a little mind messin' this summer for a change: **The dead girl in apartment** I received a copy of The Dead Girl in 2A through NetGalley for an honest review: **The dead girl in apartment 03 imdb** My thanks to Sourcebooks and to Carter Wilson for the opportunity, **The dead girl in apartment 03 trailer** Carter Wilson 4/5 Brilliant Stars!! Dark twisty unique suspense with a mix of sci-fi. **The dead girl in apartment 3** This was such a great read for me and I honestly did not expect to love it so much: **The dead girl in apartment 03** Well-written story that pulled me in from the first pages and kept me on the edge of the seat till the end. **The dead girl in apartment 03** I highly recommend this book to anyone that is looking for a fresh unique and quite eerie suspense/mystery novel: **The dead girl in apartment** Thank you NetGalley Poisoned Pen Press and the author Carter Wilson for giving me an opportunity to read an ARC of this brilliant novel in exchange for my honest opinion. **The dead girl in apartment 03 2022** Carter Wilson

USA Today bestselling author Carter Wilson has written eight critically acclaimed standalone psychological thrillers as well as numerous short stories, **The dead girl in apartment** He is an ITW Thriller Award finalist a five time winner of the Colorado Book Award and his works have been optioned for television and film, **The dead girl in apartment** Carter lives in Erie Colorado in a Victorian house that is spooky but isn't haunted...yet. **The dead girl in apartment 03 bookpedia** Clara Stowe isn't in Jake's line of work and didn't go to college with him: **The dead girl in apartment 03** They have nearly nothing in common apart from a deep and shared certainty that they've met before: **The dead girl in apartment 03 book** Despite their best efforts over a probing

conversation both struggle to figure out what circumstances could possibly have brought them together. **The dead girl in apartment 03 bookpedia** Then in a revelation that sends Jake reeling Clara admits she's traveling to the Colorado mountains to kill herself and disappears into the crowded airport immediately after landing. **The dead girl in apartment 3** Clara also confesses to Jake that she is flying to Denver to kill herself, **The dead girl in apt 03** Having never read a book by Carter Wilson this book was a nice surprise for me. **The dead girl in apartment 3** Jake is on his way to Denver to ghost write a memoir for a wealthy man while Clara tells him she has decided to kill herself in the Colorado mountains. **The dead girl in apartment 03 bookpedia** This is a twisted tale of repressed memories secret programs and a man who has been manipulating Jake and Clara for his own means: **The dead girl in apartment 03** It did all feel a little too contrived to me but made for a different type of mystery that will appeal to many. **The dead girl in apartment 03** 5□With thanks to Netgalley and Poisoned Pen Press for a digital ARC to read: **The dead girl in apartment 03** Carter Wilson This is my second novel by Carter Wilson and my love affair with his books are a bit confounding: **The dead girl in apartment** I've given both this novel and last year's Mister Tender's Girl 3 stars but they are very high 3 star ratings that I recommend with gusto: **The dead girl in apartment 03** *Many thanks to the publisher for providing my review copy via NetGalley. **The dead girl in apartment 3** Clara also feels a strange sense of familiarity regarding him but neither recall ever meeting before. **The dead girl in apartment 03** They get to talking and Jake is shocked when Clara confides in him that she is travelling to Denver with the intention of committing suicide: **The dead girl in apartment** He tries to convince her otherwise but when they land he has no choice but to let her walk away but he can't get her out of his head, **The dead girl in apartment** Then at the hotel bar he encounters another mysterious woman: **The dead girl in apartment** First things first I feel it's crucial to mention that this is less psychological thriller and domestic noir more scientific medical thriller, **The dead girl in apartment** I admire Carter Wilson for doing something different but the execution didn't work for me and there were long stretches where the plot dragged: **The dead girl in apartment** I was expecting it to be more action-driven so was disappointed with the overly-descriptive introspective dreamlike chapters: **The dead girl in apartment 03** Even the cat-and-mouse game between the good and bad guys grew tiresome, **The dead girl in apartment 03** There were some shocks and surprises and Jake was a character I was genuinely rooting for but even still this one was only average for me: **The dead girl in apartment 03 imdb** Chapters alternate between Jake and journal entries from 'The Book of Clara': **The dead girl in apartment** It's a quick fast read that's easy to follow so perfect for those on the go or whose reading time is limited. **The dead girl in apartment 3** I'd like to thank Netgalley Sourcebooks and Carter Wilson for the e-ARC[1]

So I look forward to his next release. It was my pleasure to provide an honest review. Carter Wilson What a surprise this book was. They also suffer from memory loss. I wasn't really expecting that but I really enjoyed it. In fact I don't think any character was developed enough. Sadly it just wasn't for me. That said I do like Carter's writing style Em. Eaton proposes that Jake write his memoir. The money up front is too much to turn down. She introduces herself as Clara Stowe a former teacher. Clara has her own agenda. Neither one can come up with a link between them. But it's there.oh it's there.This was my first book by Carter Wilson. The majority of the book was well done and intriguing. Seatbelts obligatory. This read is definitely a delicious treat. Visit him at carterwilson.com. The Dead Girl in 2A This is some messed-up shit. 3.Out now! Carter Wilson.
