

Inside Paragraphs: Typographic Fundamentals By Cyrus Highsmith **Book Inside paragraphs writing** 1616899417 เขียนง่ายและยกตัวอย่างประกอบได้ดี เล่มนี้ไม่เน้นลงลึก แต่ช่วยสร้างความเข้าใจในเรื่องที่เป็น พื้นฐานมากๆ ของงานออกแบบจัดวางตัวอักษร (typography) ซึ่งก็คือ พื้นที่ว่าง (space) ทั้งระหว่างตัวอักษร ระหว่างคำ และระหว่างบรรทัด ซึ่งการจัดการพื้นที่ว่างนี้เองจะมีผลต่อความสับสนในการอ่านไม่แพ้การออกแบบหน้าตาของตัวอักษรเลย ฟอนต์ส่วนใหญ่มีการออกแบบพื้นที่ว่างในตัวไว้ดีประมาณหนึ่งอยู่แล้ว แต่ถึงกระนั้นการนำฟอนต์ไปใช้ในงานออกแบบตามบริบทต่างๆ ก็ยังต้องอาศัยการจัดการเล็กๆ น้อยๆ เพื่อให้แต่ละเนื้อความสามารถอ่านได้อย่างราบรื่นที่สุด หนังสือเล่มนี้ได้บอกวิธีไว้พอสังเขป จึงเหมาะมากสำหรับคนที่เริ่มสนใจศาสตร์ด้านนี้ (หรือต้องทำงานเกี่ยวกับการใช้ตัวอักษร) แต่สำหรับคนที่มีความชำนาญในงานด้านนี้อยู่แล้วก็ถือว่าได้ทบทวนหลักการพื้นฐาน ซึ่งก็ดีมาก ๆ เช่นกัน 1616899417 There are so many graphic design books targeting typography—the anatomy and study of letterforms.

What goes on inside a paragraph of printed text? Cyrus Highsmith's Inside Paragraphs is an essential primer on the basics of typography that focuses specifically on the role of printed text within a paragraph. **Inside Paragraphs booklet** Highsmith doesn't really delve deep into the subject and even if the book's written for a complete beginner it feels that Highsmith uses a bit too much of the limited space to superficially explain things that would be obvious to pretty much anyone. **Inside Paragraphs kindle store** Then again the short length and narrow scope of the book will ensure that many people who would not normally pick up a book on typography will now come to understand its basics. **Inside Paragraphs booklet** He spends a minimum of time on type terminology and bypasses technical concepts like side bearings instead leading his readers to the

same practical results through brilliantly diagrammed examples. **Inside Paragraphs booker** 1616899417 I'm a completely beginner and I think this books was a good introduction in the typography world I know is a lot more than this but the book just provide me some knowledge to look more closely in the next book ma il punto di vista è originale:«A line with tight letter spacing but loose word spacing has incompatible kinds of spacing. **Inside Paragraphs booker** Some of Highsmith's most well known typefaces are Zócalo used by the Mexican daily El Universal and the Antenna series which was used in several magazine designs as well as by Ford and the official Star Wars website. **Inside Paragraphs kindle direct** Some of Highsmith's most well known typefaces are Zócalo used by the Mexican daily El Universal and the Antenna series which was used in several magazine designs as well as by Ford and the official Star Wars website. **Inside Paragraphs pdf drive** In addition to typeface design Highsmith has been teaching at the Rhode Island School of Design since 2000 while also lecturing and taking part in juries in North America Japan and across Europe. **Inside paragraph alignment** In September 2017 it was announced that Occupant Fonts had been acquired by the Japanese type foundry Morisawa and thenceforth functioned as their Providence drawing office with Highsmith as its creative director:

## Book Inside paragraphs writing

It's probably the best possible reference for the layperson seeking to improve readability of her church's newsletter or school's yearbook. **Inside paragraph alignment** The advice here is applicable to Microsoft Word and Google Docs just as much as it is to professional publishing software, **Inside Paragraphs kindle books** Engaging full-page illustrations and Highsmith's accessible explanations show the role of white space between letters words and lines: **Inside Paragraphs kindle paperwhite** Perfect for students and professionals alike this updated edition includes a new preface, **Book Inside paragraphs writing** Inside Paragraphs: Typographic Fundamentals Highsmith's Inside Paragraphs deserves four stars out of five if reviewed as a very short easy-to-read introduction to typesetting: **Inside Paragraphs ebook** Highsmith's approach relies on images rather than words and nothing really gets complicated along the way, **Inside Paragraphs kindle reader** Everything stays focused and simple and it's all easy to follow and understand: **Inside Paragraphs pdf drive** Still I personally would've wished for a bit longer or more in-depth introduction but some readers of this short pamphlet-like (yet aesthetic) book might feel otherwise. **Inside Paragraphs kindle store** 1616899417 This is a good book for someone just starting to think about laying out type. **Inside Paragraphs kindle reader** As the name would suggest it makes a lot of the fundamentals for laying out longer form text (within paragraphs) pretty clear, **Inside Paragraphs epub** Individual characters or text layout outside of the context of paragraphs isn't addressed much. **PDF Inside paragraphs writing** I wouldn't say this offers much for seasoned typographers but still some useful advice worth coming back to: **Inside Paragraphs bookstore** 1616899417 Mr Highsmith strikes an impeccable balance between accessibility and detail with this illustrated primer and reference. **EBook Inside paragraphs** While this book is unlikely to provide new insights to experienced typographers styles and usage. **Inside Paragraphs ebooks online** However Inside Paragraphs: Typographic Fundamentals is more than a dissection of parts; it's how they all work together as a whole: **Inside Paragraphs bookstore** This book explains the nuances and fundamentals of what we see how we read and what makes for a better experiences when learning to arrange typography for visual consumption: **Inside Paragraphs booking** First published independently in 2012 by letter drawer teacher author & graphic artist Cyrus Highsmith this updated edition is more accessible along with some minor tweaks. **Inside Paragraphs ebook** Ultimately this was the book he wanted as a student when first learning about typography. **Inside Paragraphs epub.pub** Originally planned as a comic book Inside Paragraphs" is a smartly illustrated guide supported by details and concepts about using letterforms in a far enjoyable manner: **Inside Paragraphs kindle store** Encouraging readers to experiment as they learn

Highsmith aims to make understanding more tangible. **Inside Paragraphs kindle direct** Fundamentals are explained in digestible units with clarity conveying how people read and how to craft typography for optimum results: **Inside Paragraphs epub** Cyrus' articulation of how space affects user readability is better understood using his own abstract imagery versus real-world examples. **Inside Paragraphs pdf converter** It's definitely a strong start but does leave you wanting more, **Book Inside paragraphs writing** I first read this as an experienced designer and now also an instructor I readily see the value in his creation, **Inside Paragraphs ebook** Not just another book on type I also wish I had this as a student, **EBook Inside paragraphs** Considering how many in-house digital designers missed out on a traditional print design education Inside Paragraphs is recommended for anyone working closely with type in any medium. **Inside Paragraphs kindle books** The rhythm of the line is choppy and bad for the flow of text, **Book Inside paragraphs writing** It's like listening to someone who talks by blurting out one word at a time. **Inside Paragraphs booker** The opposite — loose letter spacing combined with tight word spacing — is even worse. **PDF Inside paragraphs** The inconsistent tempos are working against each other and the effect is like a slow monotone voice that never pauses for a breath. **Book Inside paragraphs writing** It also harms legibility: it becomes hard to see where words begin and end»e le illustrazioni sono memorabili: **Inside Paragraphs ebook3000** 1616899417 This was a great introductory book to typesetting with nice illustrations and a clear humorous writing style that was easy to read. **Inside Paragraphs pdf converter** 1616899417 Interesting introduction to typesetting with an eye toward how the eye follows text and negative space on the page. **Inside Paragraphs booking** 1616899417 Cyrus Highsmith is a typeface designer illustrator and author. **Inside Paragraphs epub file** After graduating from the Rhode Island School of Design in 1997 he worked at Font Bureau in Boston as Senior Type Designer until founding his own type foundry Occupant Fonts: **Book Inside paragraphs writing** Other clients for custom fonts include or have included The Wall Street Journal Martha Stewart Living La Prensa Gráfica of El Salvador ESPN and Men's Health. **Inside Paragraphs pdfiller** His typefaces Prensa and Relay won the 2001 Bukva:raz! award organized by ATypI (the International Typographic Association) in 2001. **Inside paragraph alignment** After graduating from the Rhode Island School of Design in 1997 he worked at Font Bureau in Boston as Senior Type Designer until founding his own type foundry Occupant Fonts. **Inside Paragraphs ebookers** Other clients for custom fonts include or have included The Wall Street Journal Martha Stewart Living La Prensa Gráfica of El Salvador ESPN and Men's Health. **Inside Paragraphs kindle direct** His typefaces Prensa and Relay won the 2001 Bukva:raz! award organized by ATypI (the International Typographic Association) in 2001, **Inside Paragraphs pdf reader** In 2015 Cyrus Highsmith received the Gerrit Noordzij Prize by the Royal Academy of Art The Hague. **Inside Paragraphs publishing** With his own imprint Occupant Press he publishes children's books and other prints, **Inside Paragraphs bookkeeping** In 2016 Highsmith founded Occupant Fonts in Providence Rhode Island which continues to publish his typefaces designed while at Font Bureau as well as new releases. It doesn't go too far in depth. His prose is admirably lucid and his positions unambiguous. He succeeds with presentations that double as teaching slides. The words are fast but the space between them is slow. The words are slow but the space between them is fast. No one wants to listen to or read that. Great for a type rookie like me. It's a good introduction for the layperson. {site\_link}
