

The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet By Jeremy R. Moss **The Life and Tryals of the Gentleman Pirate, Major Stede bonnetta** {site_link} This is a must-read for all pirate history fanatics! It reads like a novel but is all true factual history based on the life and times of Stede Bonnet a very underrated man. **EPub The Life and Tryals of the Gentleman Pirate, Major Stede bonnet** He ends up joining with Blackbeard being betrayed getting a pardon and then psychotically pirating his way up the eastern seaboard until he gets into a mess of a situation that leads to his arrest and capture. **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet bookworm** A Gentleman of good Reputation and a Master of a plentiful Fortune he was given the Advantage of a liberal Education but the call of the sea-and perhaps more significantly the push of his obligations as a father and husband-cast Major Bonnet onto an unlikely and deliberate course toward piracy. **PDF The Life and Tryals of the Gentleman Pirate, Major Stede bonnet's** In his two short years of piracy Stede Bonnet stood alongside some of the New World's most notorious pirates including Charles Vane Charles Condent (also known as Billy One-Hand) Robert Deal Calico John Rackham Israel Hands Benjamin Hornigold William Kidd Mary Read Anne Bonny and the pirate to whom Bonnet would forever be connected Edward Thatch (infamously known around the world as Blackbeard). **History The Life and Tryals of the Gentleman Pirate, Major Stede bonnet creek** The Life and Tryals of the Gentleman Pirate Major Stede Bonnet

Full disclosure I'm the author! What initially started out as a hobby grew into a passion and then into a reality. **The Life and Tryals of the Gentleman Pirate, Major Stede bonnetril plm** Since hearing Bonnet's story how he left a comfortable family life for one of danger and adventure I researched every piece of information I could find about Bonnet including his trial transcript in an effort to figure out how and why Bonnet would do that. **The Life and Tryals of the Gentleman Pirate, Major Stede bonnets Mencken**) This biography tells the tale of one such normal man an English plantation owner from Barbados who decides to buy a small ship outfit it with cannons and take to a life of piracy. **The Life and Tryals of the Gentleman Pirate, Major Stede bonnets pink** While it gets off to an intriguing start and the book seems effectively researched throughout it I couldn't shake the feeling that Stede Bonnet was not a very apt selection for full length biographical treatment. **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet book** Perhaps recognizing that Bonnet has no idea what he's doing famed pirate Edward Blackbeard Thatch quickly usurps command of his ship relegating Bonnet to a passenger on his own vessel. **Kindle The Life and Tryals of the Gentleman Pirate, Major Stede bonnett** After he parts ways with Thatch Bonnet does manage to take some ships and engage in some plunder but his exploits didn't seem particularly noteworthy compared to the other pirates mentioned in passing. **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet book** It seems like he was in over his head throughout his piratical career but without diaries or other records of his thoughts and motivations it's difficult to come away from this book with any kind of moral or other instructive lesson. **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet bookworm** I liked the format of Moss's book - half biography half courtroom transcription I think the last 60-odd pages (the actual court proceedings of Bonnet's trial) really set this book apart from books I've previously read. **The Life and Tryals of the Gentleman Pirate, Major Stede bonnetril** Law isn't one of my interests but it was cool to be transported 300+ years into the past for a word-for-word pirate trial

(spoiler alert: as of this reading Bonnet is 100% dead) - to see actual words said by a pirate rather than the typical pirate history books that rely on what likely would have happened. Moss is a real estate developer lawyer and lobbyist living in Jacksonville Florida: **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet pdf24** An emerging author and freelance historian Jeremys research is focused on piracy and early colonial maritime history, **Book The Life and Tryals of the Gentleman Pirate, Major Stede bonnet creek** When not working or writing Jeremy is a family man and can be found telling stories of adventure and buried treasure to his young children. **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet bookworm** Moss is a real estate developer lawyer and lobbyist living in Jacksonville Florida: **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet ebook3000** An emerging author and freelance historian Jeremy's research is focused on piracy and early colonial maritime history. **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet kindle reader** When not working or writing Jeremy is a family man and can be found telling stories of adventure and buried treasure to his young children. **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet kindle app** Bonnet came across and worked with some of the biggest names in the pirate world including the infamous Blackbeard. **Book The Life and Tryals of the Gentleman Pirate, Major Stede bonnet** Highly recommend this book for anyone looking to understand more about the Golden Age of Piracy some of its principle figures and the world in which these men and women lived, **Book The Life and Tryals of the Gentleman Pirate, Major Stede bonnet's** Hardcover Read this just because of internet historian and I am very pleased Hardcover I'll give you three guesses as to what led me to this book, **Book The Life and Tryals of the Gentleman Pirate, Major Stede bonnet's**)Moss's biography of the Gentleman Pirate is as well-researched as the sources allow and contains extensive sections from trial transcripts in its latter half. **Book The Life and Tryals of the Gentleman Pirate, Major Stede bonnet** Certainly interesting reading for those intrigued by the prospect of learning more about the real history behind one of the most unlikely Golden Age pirates. **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet booking** If there isn't enough info on someone don't write a book about them, **History The Life and Tryals of the Gentleman Pirate, Major Stede bonnett** Most of this book was information on cities and ports other pirates, **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet book** Makes me sad because I absolutely loved seasons one of Our Flag Means Death which is loosely based off Major Stede Bonnet so I was excited to find a book on him: **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet bookkeeping** But I'll be on the hunt for other books Hardcover This was certainly well researched and cited multiple references, **Book The Life and Tryals of the Gentleman Pirate, Major Stede bonnet's** I found it interesting especially as we had just been to Charleston and learned about Stede Bonnet: **The Life and Tryals of the Gentleman Pirate, Major Stede bonneto** He was a gentleman in the 1700s who left his family to buy a pirate ship so he could be a pirate: **Kindle The Life and Tryals of the Gentleman Pirate, Major Stede bonnet** He then dressed as a woman tried to escape only to accidentally rat himself out and be captured again eventually to be hung for piracy: **The Life and Tryals of the Gentleman Pirate, Major Stede bonnets** While the events described in the book were very exciting and interesting they were not written in a way that really helped draw the reader in: **EBook The Life and Tryals of the Gentleman Pirate, Major Stede bonnet's** The chapters endings were abrupt and the facts were the facts. **The Life and Tryals of the Gentleman Pirate, Major Stede bonnets pink** But there is something to be said for learning the real facts of a story whether the book those facts are in is especially engaging or not. **Book The Life and Tryals of the Gentleman Pirate, Major Stede bonnet** Hardcover An heir to an established land-owning aristocratic family in Barbados Major Stede Bonnet enjoyed luxuries equal to those of the finest houses in London. **The Life and Tryals of the Gentleman Pirate, Major Stede bonnets pink** Easily likable by friend and foe many would be drawn to Bonnet: **The Life and Tryals of the Gentleman Pirate, Major Stede bonnets pink** Follow Major Bonnet through his improbable and exciting journey in the Golden Age of Piracy, **The Life and Tryals of the Gentleman Pirate, Major Stede bonnetta** Ultimately that question why

may remain unanswered but Bonnet's story is fascinating nonetheless - I hope to have done it justice, **Book The Life and Tryals of the Gentleman Pirate, Major Stede bonnet creek** Enjoy! Hardcover Really a terrific read! For the history lover fantastic historical context and dialogue during the trial: **EPub The Life and Tryals of the Gentleman Pirate, Major Stede bonnet** Hardcover The first half of this was pretty interesting but the second half was mainly made up of trial transcripts that were very dry: **The Life and Tryals of the Gentleman Pirate, Major Stede bonnets** Would have been good to have paraphrased these and explained them a bit more but still an interesting read for pirate enthusiasts and fans of Our Flag Means Death. **History The Life and Tryals of the Gentleman Pirate, Major Stede bonnett** Hardcover Every normal man must be tempted at times to spit on his hands hoist the black flag and begin slitting throats. **The Life and Tryals of the Gentleman Pirate, Major Stede bonnett irrigation** The reasons for the change in vocation are absent from the historical record and unclear. **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet pdf converter** The author suggests sympathies with the Jacobite rebellion or an unsatisfying home life; he leaves his wife and small children and never returns: **The Life and Tryals of the Gentleman Pirate, Major Stede bonnets wholesale** Because he lacked any experience with shipboard command he quickly gets critically injured in an ill-considered battle with a Spanish Man-of-war: **The Life and Tryals of the Gentleman Pirate, Major Stede bonnetril** Bonnet remains in this situation for roughly half the book lacking any apparent agency. **History The Life and Tryals of the Gentleman Pirate, Major Stede bonnet** He is a Gentleman Pirate because of his breeding not due to any particular gallantry on the high seas, **The Life and Tryals of the Gentleman Pirate, Major Stede bonnetril** He doesn't seem to have been a particularly violent pirate but then again most historical pirates weren't as bloodthirsty as literature and Hollywood would suggest, **The Life and Tryals of the Gentleman Pirate, Major Stede bonnetta** Towards the end of his piratical career Bonnet halfheartedly angles for a royal pardon but continues to board and steal from passing ships. **Book The Life and Tryals of the Gentleman Pirate, Major Stede bonnet** Inevitably he gets captured and put on trial and without spoiling things too much he does not comport himself in a particularly manly or defiant way: **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet ebook3000** I have no complaint about the book's writing just the choice in subject. **PDF The Life and Tryals of the Gentleman Pirate, Major Stede bonnet creek** what made this man drop everything to become a pirate?) he doesn't seem to have done enough to justify a whole book written about him: **The Life and Tryals of the Gentleman Pirate, Major Stede Bonnet epubor** There doesn't seem to be enough historical documentation to make him anything more than a cipher. **Book The Life and Tryals of the Gentleman Pirate, Major Stede bonnet's** This book is brief and competently written but I wish I had spent my time reading about a more interesting and fully documented pirate[1]

Jeremy R. Jeremy R. (Yep the OFMD obsession is still going strong. Hardcover DNF about the halfway mark. This book was ridiculous. Most info was just quotes from other books. Highly recommended. (H. L.He didn't seem like a very successful pirate for one. He is quite literally along for the ride. Apart from the inciting mystery (i.e. Hardcover Big reader of pirate history here. Good work good sir. Hardcover.
