

Arizona SB 1070: An Act By Ryan Clark **Book Arizona SB 1070** **wdia** Such is the vision of Ryan Clark's ARIZONA SB 1070: AN ACT a homophonic translation that writes against the hateful and xenophobic 2010 Arizona anti-immigration law that gives the book its title and emerged as a harbinger of much vileness in word and deed during the long decade that followed its passing. **Book Arizona SB 1070 ti** His deft choices and rigorous techniques destabilize and transform the letters of the law itself using linguistic processes and a keen poet's ear to morph the bill's divisive language into tender vulnerable and compassionate lyric poetry that seeks to untangle knots of unease and advocate for healing. **Book Arizona SB 1070 am** While interrogating and investigating the fear of immigrants that buttresses a climate of oppression in which a bill like Arizona SB 1070 becomes law Clark's work also pursues a public space where difficult dialogues about the wounds such legislation has continued to open--and reopen--are paramount,

## **Book Arizona SB 1070 vs**

While it may be true that art cannot redeem the flaws of our deleterious society it can often reveal more anodyne alternatives nested neatly inside the familiar: **PDF Arizona SB 10701** Clark's translation innovatively rescripts the bill and calls to the fore the contested nature of language in Arizona.
